

Curriculum Vitae: Kratochwil, Anselm, Univ.-Prof., Dr. rer. nat., Diplom-Biologe, FRES

- Born: February, 5th 1951 in Heidelberg, Germany - married, one child

Education

- 1970 Abitur, Bunsengymnasium Heidelberg, Germany
- 1970-1972 Military Service
- 1972-1978 Studies of Biology (Zoology, Geobotany, Limnology, Pedology) at the University of Freiburg, Germany
- 1978 Diploma Degree of Biology, University of Freiburg
- 1979-1983 PhD (Dr. rer. nat.), University of Freiburg, Institute of Biology I (Zoology), group of Prof. Dr. H.-F. Paulus (currently University of Vienna, Austria)
- Thesis title: Blumen-Insekten-Gemeinschaften eines nicht mehr bewirtschafteten Halbtrockenrasens im Kaiserstuhl: Aspekte der Co-Phänologie, der Biogeographie und der Co-Evolution. Ein Beitrag zur Blütenökologie auf pflanzensoziologischer Grundlage (Flower-Insect Communities of Fallow Dry Grasslands (Mesobrometum) in the "Kaiserstuhl" [Southwestern Germany]: Aspects of Co-Phenology, Biogeography and Co-Evolution. A Contribution to Flower Ecology on Phytosociology)

Professional Experience

- 1982-1986 Research Assistant Institute of Biology II (Dept. of Geobotany, Prof. Dr. O. Wilmanns), University of Freiburg, Germany
- 1987-1989 Research-Scholarship of the German Research Foundation (DFG)
- 1989-1992 Lectureship Institute of Biology I (Zoology), University of Freiburg, in Animal Ecology and Biocoenology
- 1990 Habilitation in Ecology, *venia legendi* in Ecology, Lecturer Faculty of Biology, University of Freiburg
- 1990 Research Project of the Ministry of the Environment, Climate Protection and the Energy Sector, Baden Württemberg ("Biozöologische Untersuchungen an Offenlandstandorten des Naturschutzgebietes Taubergießen", Biocoenological studies in open habitats of the Nature Reserve Taubergießen, Southwestern Germany).
- 1990 Visiting Professorship at the University of Natural Resources and Life Sciences (Universität für Bodenkultur), Vienna, Austria.
- 1991 Visiting Professorship at the Faculty of Biology, University of Utrecht, Netherlands.
- 1992-2013 Fullprofessor at the University of Osnabrück, Germany, succeeding Prof. Dr. Helmut Lieth.

Professional Activities

- 1992-2013 Head of the Department of Ecology at the University of Osnabrück, Germany
- 1992-1994 Board Member of the Interdisciplinary Working Group "Ecological and Socioeconomical Systems Research", University of Osnabrück
- 1994-2011 Founder Member and Board Member of the Institute of Environmental Systems Research, University of Osnabrück
- 1994-1999 Deputy Director of the Botanical Garden, University of Osnabrück
- 1997-1988 Praedean of the Faculty Biology/Chemistry, University of Osnabrück

- 1989 Member of the Working Group "Environment, Peace and Development", University of Osnabrück
- 1998-1999 Dean of the Faculty Biology/Chemistry, University of Osnabrück
- 1999-2000 Prodean of the Faculty Biology/Chemistry, University of Osnabrück
- 2009-2010 Prae-dean of the Faculty Biology/Chemistry, University of Osnabrück

Honors

- 1983 Gödecke Award of the University of Freiburg for best thesis of the year in Biology
- 2002 Award for knowledge transfer and cooperations of the University of Osnabrück

Editor of International Journals

- 1991-2000 Plant Ecology, Co-Editor, Kluwer Academic Publishers, Dordrecht
- since 1991 Phytocoenologia, Co-Editor, Schweizerbarth, Stuttgart
- since 1991 Tasks for Vegetation Science, Co-Editor, Springer Berlin, Heidelberg, Dordrecht

Further activities

- 1987-1998 Leader of the Working Group "Biocoenology" of the Ecological Society of Germany, Austria and Switzerland
- 1991-2007 Advisory Council for the Environment. National Church of Baden (Baden-Württemberg), Germany
- 1992-1995 Advisory Council of the Ecological Society of Germany, Austria and Switzerland
- 1999-2003 Leader of the German Association of University Professors and Lecturers, Group Osnabrück (Deutscher Hochschulverband)
- 2000-2003 Advisory Council of the Project: Global Sustainable Development - Perspectives for Germany, Institute for Technology Assessment and Systems Analysis (ITAS), Karlsruhe.
- since 2004 Management board of the Working Group "Wild bee monitoring Baden-Württemberg, Germany", Stuttgart State Museum of Natural History

Fellowship

- Royal Entomological Society, London

Memberships

- Several national and international natural scientific societies, among others:
 - International Association of Vegetation Science
 - Deutsche Zoologische Gesellschaft
