

First Name : Abbas
Last Name : Mohammadi-Khoramabadi
Date of Birth : 1976
Marrital Status : Married
Last Academic Degree : Ph.D
Date of Employment : 2005
Academic Rank : Assistant Professor
Department : Plant Production
College : Agriculture and Natural Resources of Darab
University : Shiraz University
Address :
Phone :
Cell Phone :
Email : mohammadikh_abb@yahoo.com

 **Education Qualifications**

 **Published Papers in Academic Journals**

- 1- **Mohammadi-Khoramabadi A**, Kamangar S, Lotfalizadeh H (2016) "Ichneumonid parasitoids of Tortrix viridana (Lepidoptera, Tortricidae) in the west of Iran " **Linzer biologische Beitrage** 48:681-691

- 2- **Mohammadi-Khoramabadi A**, Alipanah H, Belokobilskij S, Nematollahi M (2016) "Bioecology of Nephopterygia austeritella (Lep.: Pyralidae), a potential biological control agent of Prosopis farcta (Fabaceae) in central Iran " **Hellenic Plant Protection Journal** 9:77-88

- 3- Mohammadpour M, Ziaaddini M, Jalali M, Hashemirad H, **Mohammadi-Khoramabadi A** (2016) "Egg parasitoids of the pistachio green stink bug, Brachynema germari (Hemiptera: Pentatomidae) in Kerman province, Iran " **Zoology and Ecology** :-

- 4- **Mohammadi-Khoramabadi A**, Hesami S, Shafiei S (2016) "A contribution to the knowledge of the fauna of Ichneumonidae in Rafsanjan county of Kerman province, Iran " **Entomofauna** 37:453-468

- 5- Lotfalizadeh H, **Mohammadi-Khoramabadi A** (2015) "Two torymid species (Hymenoptera: Chalcidoidea, Torymidae) developing on Artemisia gall midges (Diptera: Cecidomyiidae) " **JOURNAL OF PLANT PROTECTION RESEARCH** 55:351-353

- 6- Moghaddam M, **Mohammadi-Khoramabadi A** (2015) "The scale insects (Hemiptera: Coccomorpha) on Artemisia spp. (Asteraceae) in Iran " **JOURNAL OF INSECT BIODIVERSITY AND SYSTEMATICS** 1:37-45

- 7- HasanShahi G, Abbasipour H, Moghbeli Gharaei A, Jussila R, **Mohammadi-Khoramabadi A** (2015) "First Report of the Parasitoid Wasp, Hyposoter leucomerus Thomson (Hym.: Ichneumonidae, Campopleginae) from Iran " **Journal of Biological Control** 29:47-48

- 8- **Mohammadi-Khoramabadi A** (2015) "First records of the subfamily Adelognathinae (Hym.: Ichneumonidae) from Iran " **Biharean Biologist** 9:164-165
- 9- Bakhtiarynasab F, Khayrandish M, **Mohammadi-Khoramabadi A** (2014) "First record of *Homotropus elegans* (Hym.: Ichneumonidae: Diplazontinae) from Iran " **Journal of Entomological Society of Iran** 34:77-77
- 10- **Mohammadi-Khoramabadi A**, Talebi A (2013) "A study of the genus *Orthocentrus* (Hymenoptera: Ichneumonidae, Orthocentrinae) in Gilan and Tehran provinces of Iran, with first records of seven species and one subspecies " **Journal of Applied Entomology and Phytopathology** 80:29-39
- 11- **Mohammadi-Khoramabadi A**, Talebi A, Zwakhals K (2013) "A study of the subfamily Pimplinae (Hymenoptera: ichneumonidae) in the north of Iran, with eleven new species records " **Entomofauna** 34:29-56
- 12- **Mohammadi-Khoramabadi A**, Talebi A, Farahani S (2011) "*Hybrizon buccatus* (de Brebisson, 1825), the first record of the subfamily Hybrizontinae (Hymenoptera: Ichneumonidae) from northern Iran " **Biharian Biologist** 5:162-163
- 13- Talebi A, **Mohammadi-Khoramabadi A**, Rakhshani E (2011) "Checklist of eulophid wasps (Insecta: Hymenoptera: Eulophidae) of Iran " **Checklist** 7:708-719
- 14- Parchami-Araghi M, **Mohammadi-Khoramabadi A** (2009) " The invasive pest *Zaprionus indianus* Gupta, 1970-a genus and a species new to Iran (Diptera: Drosophilidae) 1 " **Studia dipterologica** 16:243-244
- 15- Lotfalizadeh H, **Mohammadi-Khoramabadi A** (2009) " New distribution and host record of *Eurytoma scrophularia* Zerova, 1981 (Hym.: Eurytomidae) from South of Iran " **Biharean Biologist** 3:157-159
- 16- **Mohammadi-Khoramabadi A** (2016) "Two new records of the subfamily Xoridinae (Hym.: Ichneumonidae) from Mazandaran province, Iran " **Journal of Entomological Society of Iran** :-
- 17- **Mohammadi-Khoramabadi A**, Talebi A, Zwakhals K (2013) "Study on Diplazontinae (Hymenoptera, Ichneumonidae) in north central Iran " **Journal of Crop Protection** 2:241-261

Papers and Abstracts in Conference Proceedings

- 1-Lotfalizadeh H, Kamangar S, **Mohammadi-Khoramabadi A** "Hymenopterous parasitoids of *Tortrix viridana* L. (Lep.: Tortricidae) in Iran " **The forth International Entomophagous Insects Conference (IEIC4)** (2015)
- 2-Lotfalizadeh H, **Mohammadi-Khoramabadi A** "Two parasitoids (Hym.: Chalcidoidea, Torymidae) of *Artemisia* gall midges (Dip.: Cecidomyiidae) " **The forth International Entomophagous Insects Conference (IEIC4)** (2015)
- 3-**Mohammadi-Khoramabadi A** "Host -plant preference of developmental stages of sunn pest in wheat cultivares " **the 2nd International Conference on Sunn Pest** (2007)
- 4-**Mohammadi-Khoramabadi A**, Akrami M "Introduction of some oribatid mites of darab region of fars province southern iran " **4th african acarology symposium** (2007)
- 5-**Mohammadi-Khoramabadi A**, Alipanah H, Belokobylskij S "A study of the biology of *Stiphrometasia monialis* (lepidoptera: crambidae) on the medicinal plant, *Capparis spinosa* (capparidaceae) in natural conditions of Abarkouh region, yazd province, Iran ". The fourth national congress on Medicinal Plants (2015)
