## Small communications:

## Literature with Heteroptera records:

The following mainly ecologically orientated books include data of aquatic and semiaquatic Heteroptera from Thailand which should be proved and included in the distribution data:

The material studied by C.W. Heckman is deposited in the Zoologische Staatssammlung, Munich, Germany (as stated in the book).

HECKMAN, C.W. 1979: Rice Field Ecology in Northeast Thailand. The effect of wet and dry seasons on a cultivated aquatic ecosystem. *Monographiae Biologicae* 34, Dr. W. Junk, The Hague - Boston - London, 228 pp.

YASUMATSU, K., WONGSIRI, T., TIRAWAT, C., WONGSIRI, N. & LEWVANICH, A. 1980: Contributions to the development of integrated rice pest control in Thailand. Department of Agriculture, Ministry of Agriculture & Cooperation, Government of Thailand and Japan International Coop. Agency, IV + 163 pp..
