

## CURRICULUM VITAE

### Personal:

Name: Heidrun Karlic  
Date of Birth: February 15<sup>th</sup> 1956  
Place of Birth: Wiener Neustadt, Austria  
Private Address: Pfadenhauergasse 2/11, 1140 Vienna, Austria  
Private Phone: +43-(0) 69919241457

**Academic Degree:** PhD

Work Address : Ludwig Boltzmann Cluster Oncology,  
Hanusch Hospital, Vienna  
Heinrich-Collin-Straße 30  
1140 Vienna, Austria

**Phone:** +43 (1) 91021-86907

**E-mail:** [heidrun.karlic@onc.lbg.ac.at](mailto:heidrun.karlic@onc.lbg.ac.at)

### Education:

1974 – 1980 **Study** (Biology, Biochemistry, Philosophy), University of Vienna  
1979/1980 laboratory assistance at Institute of Molecular Biology,  
Salzburg PhD thesis: “Eco-physiology of water relations from  
evergreen shrubs” at Institute of Plant Physiology/Ecology, University  
of Vienna

2000 **Venia Docendi** for Experimental Hematology (Title: Dozent),  
Medical University of Vienna

2008 Granting of Title: **Universitäts Professorin** at Medical University of  
Vienna

### **Research Experience:**

1979 - 1980 Research Assistant at Institute for Molecular Biology (Austrian  
Academy of Sciences), Salzburg, Austria; Research on biosynthesis of  
bee venom

1981 – 1982 Assistant Professor at Department of Molecular Biology and Medical  
Biochemistry – Research on protein chemistry of nuclear matrix,  
Medical University of Vienna

1983 – 1987 Assistant Professor at Department of Gynecology (Endocrinology).  
Research on chromosomal aberrations from gynaecological tumors  
and reproductive science (in vitro fertilization) Medical University of  
Vienna

Since 1987 Senior Scientist at Ludwig Boltzmann Institute for Leukemia Research,  
Research on Leukemia-associated Oncogenes, Metabolomics and  
Epigenetics, peer reviewer for scientific journals and grants, Professor  
at Medical University of Vienna (lectures and seminars on scientific  
practice and epigenetics)

**Publications:** see <http://www.ncbi.nlm.nih.gov/pubmed/?term=Karlic+H> and  
<http://www.drkarlic.com/index.php/general.html>

**Languages:** German, English, French Latin

**Date** May 2016
