Kartierungsergebnisse des 7. südböhmischt-oberösterreichischen Botanikertreffens im Böhmerwald, 8. - 14. Juli 1996

P.A. KRAML & N. LINDBICHLER

A b s t r a c t: The distribution of the vascular plants in the Austrian part of Böhmerwald is presented in form of an atlas, which shows primarily the results of the 7th meeting of Southern Bohemian and Upper Austria botanists in Haslach a. d. Mühl (8th to 14th July 1996). This results are confronted with the already known but unpublished data of the mapping of Austrian flora.

Einleitung

Dieser Verbreitungsatlas der Gefäßpflanzenflora im Gebiet des österreichischen Böhmerwaldes faßt in erster Linie die Ergebnisse der Kartierungsarbeit während des 7. südböhmischt-oberösterreichischen Botanikertreffens 1996 in Haslach an der Mühl zusammen.

Exkursionsgebiet

Das Kartierungsgebiet der Exkursion umfaßt das Gebiet des österreichischen Anteils des Böhmerwaldes inklusive Sternwald. Die Grenzen im Westen und im Norden sind also gebildet von der österreichischen Staatsgrenze gegen Deutschland und Tschechien. Im Süden erstreckt sich das Gebiet bis an die Große Mühl und die Steinerne Mühl. Die Ostgrenze ergibt sich aus der Verbindungslinie Bad Leonfelden - Weigetschlag.

Kartierungsmethode

Die Verbreitungsangaben der Pflanzensippen entsprechen der Punktrasterkartierung auf Quadrantenbasis im Sinne der Österreichischen Florenkartierung (vgl. NIKLFELD). Dabei wurden die in der Karte angegebenen Quadranten innerhalb des angegebenen Exkursionsgebietes bearbeitet. Eine Signatur in einem Quadranten gibt

das Vorkommen einer Art - unabhängig von ihrer Häufigkeit - an. Die Verbreitungskarten enthalten folgende Quadranten:

7248/2 Dreisesselberg	7249/1 Plöckenstein					
7248/4 Lackenhäuser	7249/3 Schwarzenberg	7249/4 Hochficht	7250/3 Prední Zvonková			
	7349/1 Ulrichsberg	7349/2 Bärenstein	7350/1 Bayrische Au			
	7349/4 Aigen Schlägl	7350/3 St.Oswald bei Haslach				
		7450/1 Haslach	7450/2 St.Stefan im Walde	7451/1 Hirschenstein	7451/2 Sternstein	
				7451/4 Bad Leonfelden		

Vorliegende Kartierungsdaten

Schon vor der Exkursion wurde für jeden Teilnehmer ein entsprechender Verbreitungsatlas mit den bereits bekannten Kartierungsergebnissen zusammengestellt (KRAML & LINDBICHLER). Das erleichterte die Arbeit und spornte wesentlich zum weiteren Auffüllen leerer Quadranten an. Dafür wurden uns von Prof. Dr. Harald Niklfeld Daten der Österreichischen Florenkartierung in Form eines Teilausdruckes (Daten bis 1985) zur Verfügung gestellt. Weiters konnten bereits in diesen Exkursionsbehelf folgende Geländelisten eingearbeitet werden:

7349/2 93/07/14 Brandstätter G., Lenglachner F., Lindbichler A., Lindbichler N., Teppner H.

7450/1 93/07/15 Brandstätter G., Lenglachner F., Lindbichler N., Strauch M., Wenzl M.

7248/3 92 Grims F. (8 Listen von Minutenfeldern)

7450/2 Rechberger A. (8 Listen von Minutenfeldern)

Exkursionsergebnisse

In den vorliegenden Verbreitungskärtchen werden nun sowohl bereits bekannte Angaben wie auch die bei der Exkursion erarbeiteten angeführt. Alte und neue Daten sind durch unterschiedliche Signaturen gekennzeichnet. Über die im Exkursionsbe-

helf angeführten Angaben hinaus erhielten wir von Prof. Dr. Harald Niklfeld jetzt zusätzlich noch Datensätze der Florenkartierung nach 1985. Für alle diese Unterlagen sei ihm herzlichst gedankt!

Folgende Quadranten wurden während der Exkursion bearbeitet:

7248/4 96/07/10 Štech

7248/4 96/07/11 Bufková, Hadinec, Kraml, Speta E. & F.

7248/4 96/07/12 Kirschnerová, Kleesadl, Lasinger, Lindbichler A. & N., Malicky, Strauch, Žila

7249/1 96/07/10 Štech

7249/3 96/07/13 Kirschnerová, Kleesadl, Lasinger, Lindbichler A. & N., Malicky, Nadler, Strauch

7249/4 96/07/12 Brandstädter, Fiereider, Gaggermeier, Hadinec, Štech

7349/1 96/07/12 Kraml, Speta E. & F.

7349/1 96/07/13 Kirschnerová, Kleesadl, Lindbichler A. & N., Lasinger, Malicky, Nadler, Strauch

7349/2 96/07/11 Brandstädter, Fiereider, Gaggermeier, Štech

7349/2 96/07/12 Kraml, Speta E. & F.

7349/4 96/07/11 Kleesadl, Lasinger, Lindbichler A & N., Malicky, Nadler, Strauch

7350/1 96/07/11 Kubát, Neuhäuslová, Steinwendtner

7350/3 o. Datum Kubát, Neuhäuslová, Steinwendtner

7450/1 96/07/12 Kubát, Neuhäuslová, Steinwendtner

7450/4 96/07/09 Kraml

7451/1 96/07/13 Kraml, Speta E. & F.

7451/2 96/07/13 Brandstädter, Hadinec, Štech

7451/2 96/07/13 Kubát, Neuhäuslova, Steinwendtner

Zusätzliche weitere Angaben:

in Form eines ausgefüllten Atlasses von den böhmischen Kollegen,

in Form von Aufzeichnungen während der Herbar- und Bestimmungsarbeiten,

in Form von Diktaphonaufzeichnungen,

in Form einzelner Mitteilungen der Teilnehmer.

Für die Quadranten 7248/4, 7249/1, 7249/2, 7249/3, 7249/4, 7250/3, 7349/2, 7350/1,

7451/1, 7451/2 und 7451/4 einzelne Angaben von Brandstädter aus dem Beobachtungszeitraum von 92/05/16 - 96/07/13.

Taxonomie

Die Taxonomie richtet sich so weit wie möglich nach ADLER et al. In einigen Fällen werden bei ADLER et al. nicht erwähnte Klein- und Zwischenarten angeführt. Diese sind in Klammern gestellt. Für *Hieracium* (Habichtskraut) folgt die Nomenklatur

HEGI. Für einige auf der Basis der Sippensystematik von EHRENDORFER kartierten Sippen, die bei ADLER et. al. neu gefaßt wurden, mußten die Taxa nach EHRENDORFER beibehalten werden. Sie sind durch Anführungszeichen gekennzeichnet.

Die verwendeten deutschen Pflanzennamen stammen ebenfalls aus ADLER et. al. Es wurde grundsätzlich der erste dort angegebene Name gewählt. Auf eine Anpassung an die im Kartierungsgebiet üblichen Pflanzennamen wurde aus Zeitgründen verzichtet. Sie wäre aber äußerst wünschenswert. Um dem Nichtbotaniker das Auffinden einer Pflanzensippe zu erleichtern, fügen wir ein Verzeichnis der verwendeten deutschen Gattungsnamen an.

Sumpfdotterblume< (Caltha palustris
subsp. laeta)

Calycocorsus stipitatus - Cardamine pratensis s.str.*Calycocorsus stipitatus*

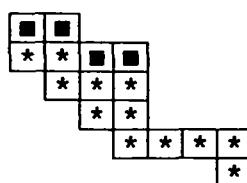

Kronlattich

*Calystegia sepium* s.str.

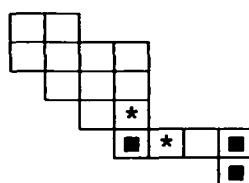

Echte Zaunwinde

*Campanula glomerata*

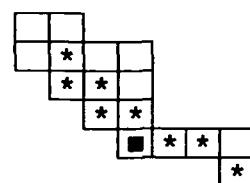

Knäuel-Glockenblume

*Campanula patula*

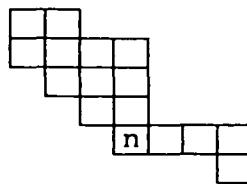

Wiesen-Glockenblume

*Campanula persicifolia*

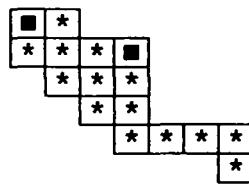

Wald-Glockenblume

*Campanula rapunculoides*

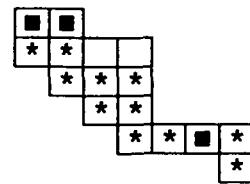

Acker-Glockenblume

*Campanula rhombooidales*

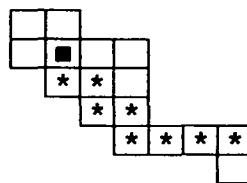

Rhomben-Glockenblume

*Campanula rotundifolia* agg.

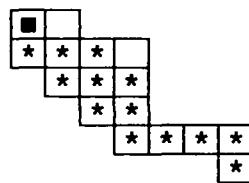

Agr. Rundblättrige Glockenb.

< *Campanula rotundifolia* s.str.

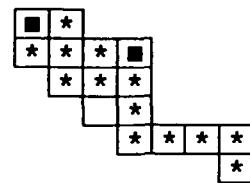

Rundblatt-Glockenblume

*Campanula trachelium*

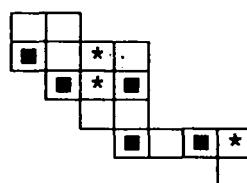

Nessel-Glockenblume

*Capsella bursa-pastoris*

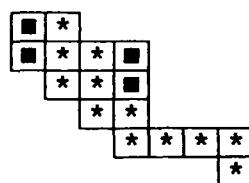

Gewöhnliches Hirntäschel

*Cardamine amara*

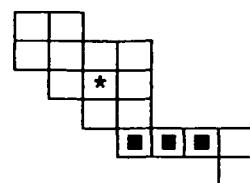

Wilde Brunnenkresse

*Cardamine flexuosa*

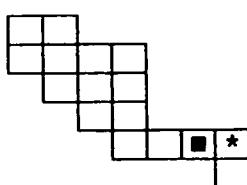

Wald-Schaumkraut

*Cardamine pratensis* agg.

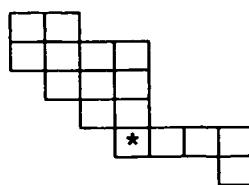

Artengr. Wiesen-Schaumkraut

< *Cardamine pratensis* s.str.

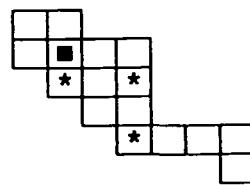

Gewöhnliches Wiesen-Sch.

Cardamine trifolia - Carex flacca

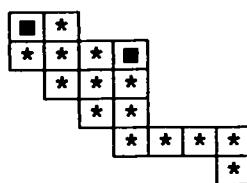

Cardamine trifolia
Kleeblatt-Schaumkraut

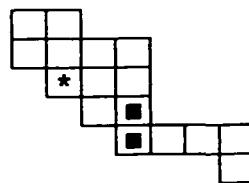

Carduus personata
Kletten-Ringdistel

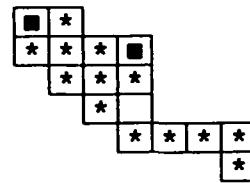

Carex acuta
Spitz-Segge

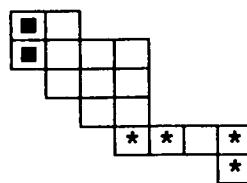

Carex brizoides
Seegras-Segge

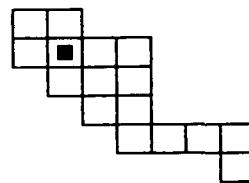

Carex bukii
Banater Segge

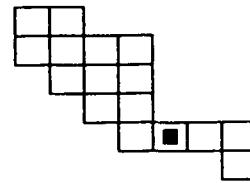

Carex canescens s.str.
Grau-Segge

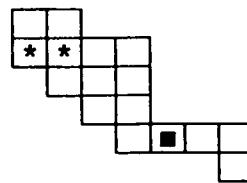

Carex caryophyllea
Frühlings-Segge

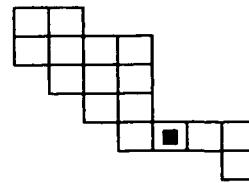

Carex cespitosa
Rasen-Segge

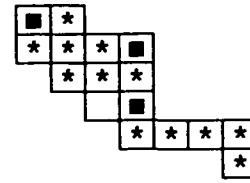

Carex davalliana
Davall-Segge

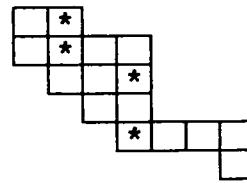

Carex digitata
Finger-Segge

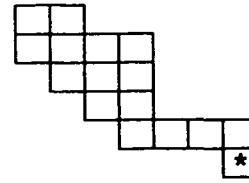

Carex dioica
Zweihäusige Segge

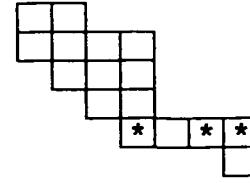

Carex echinata
Igel-Segge

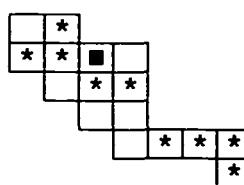

Carex elata
Bulten-Segge

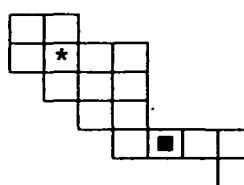

Carex elongata
Walzen-Segge

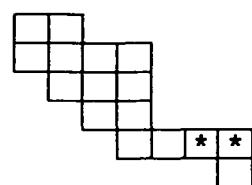

Carex flacca
Blau-Segge

Carex flava agg. - Carex panicea

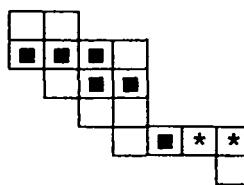

Carex flava agg.
Artengruppe Gelb-Segge

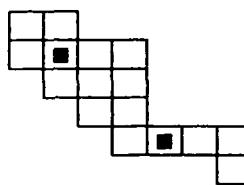

< *Carex flava* s.str.
Große Gelb-Segge

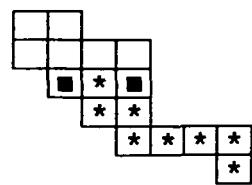

< *Carex lepidocarpa*
Mittlere Gelb-Segge

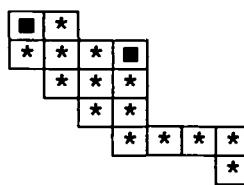

< *Carex tumidicarpa*
Verkannte Gelb-Segge

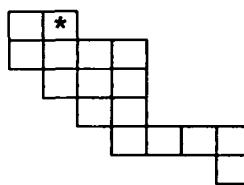

< *Carex tumidicarpa x flava*
(= *x alsatica*)

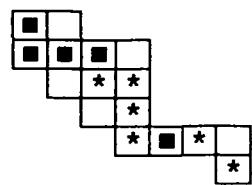

Carex hirta
Behaarte Segge

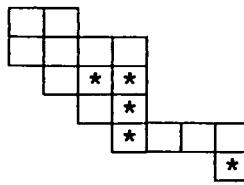

Carex leporina
Hasen-Segge

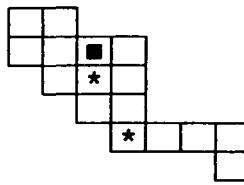

Carex limosa
Schlamm-Segge

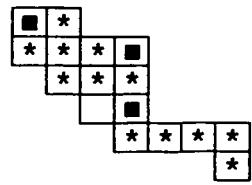

Carex muricata agg.
Artengruppe Stachel-Segge

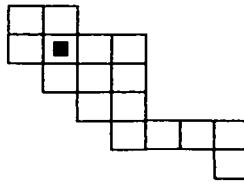

< *Carex muricata* s.str.
Sparrige Segge

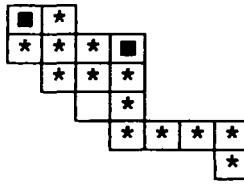

< *Carex spicata*
Dichtährige Segge

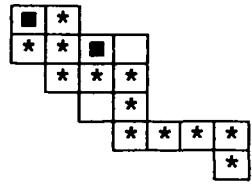

Carex nigra s.str.
Braun-Segge

< *Carex nigra*
subsp.*juncella*

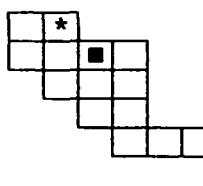

Carex pallescens
Bleich-Segge

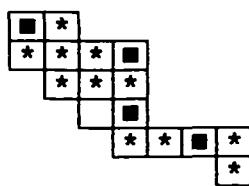

Carex panicea
Hirse-Segge

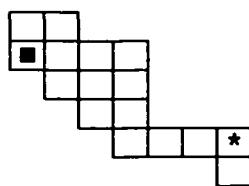

Carex pauciflora - Centaurea jacea subsp. jacea

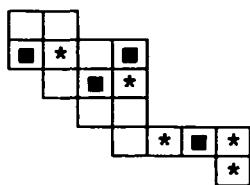

Carex pauciflora
Wenigblütige Segge

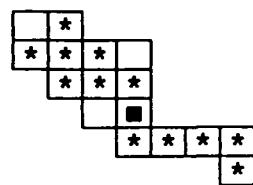

Carex pilulifera
Pillen-Segge

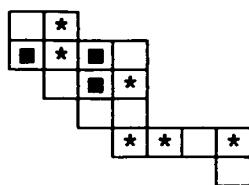

Carex pulicaris
Flo-Segge

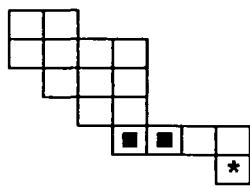

Carex remota
Winkel-Segge

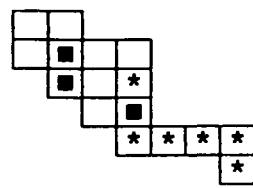

Carex rostrata
Schnabel-Segge

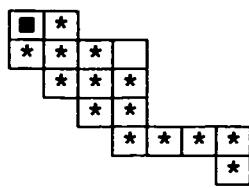

Carex sylvatica
Wald-Segge

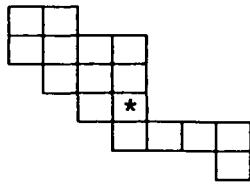

Carex umbrosa
Schatten-Segge

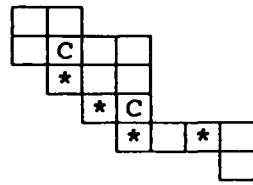

Carex vesicaria
Blasen-Segge

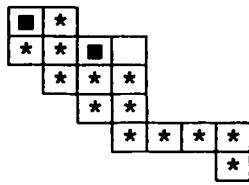

Carlina acaulis
Silberdistel

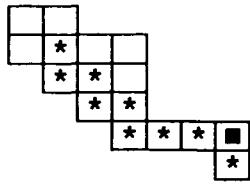

< *Carlina acaulis*
subsp. *acaulis*
Gewöhnliche Silberdistel

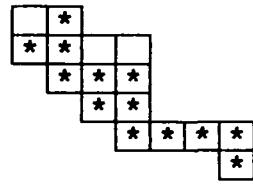

Carpinus betulus
Hainbuche

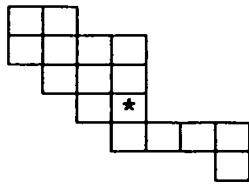

Carum carvi
Echter Kümmel

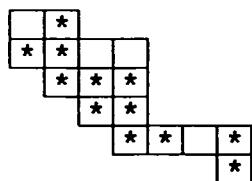

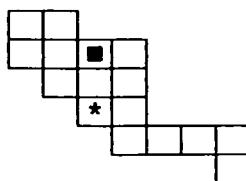

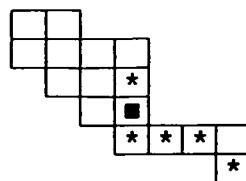

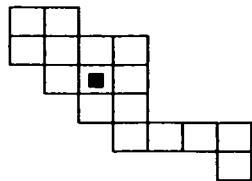

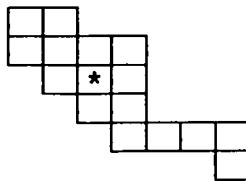

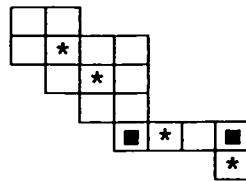

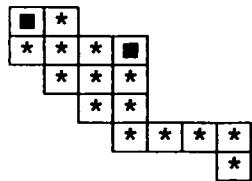

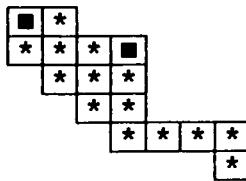

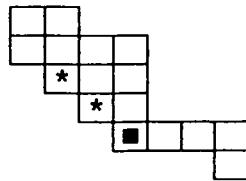

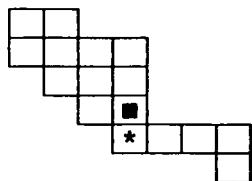

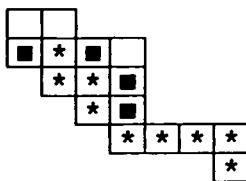

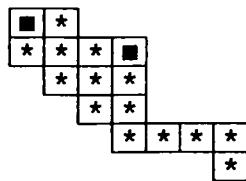

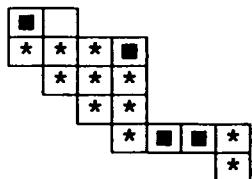

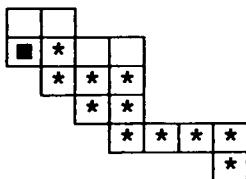

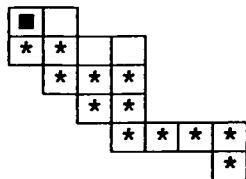

Centaurea cyanus
Kornblume

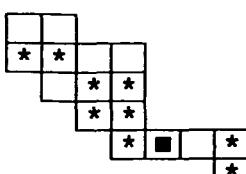

Centaurea jacea
Wiesen-Flockenblume

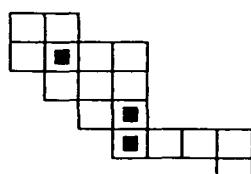

< *Centaurea jacea*
subsp. *jacea*
Gewöhnliche Wiesen-Fl.

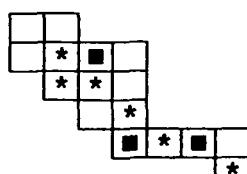

Centaurea jacea subsp.*subjacea* - *Chenopodium album* agg.< *Centaurea jacea*
subsp.*subjacea*
Kammschuppen-Wiesen-Fl.*Centaurea montana*
Berg-Flockenblume*Centaurea pseudophrygia*
Gewöhnliche Perücken-Fl.*Cephalanthera rubra*
Rotes Waldvöglein*Cephalanthera longifolia*
Schwertblatt Waldvöglein*Cerastium arvense*
Acker-Hornkraut< *Cerastium fontanum* agg.
Agr. Gewöhnl. Hornkraut< *Cerastium holosteoides*
Gemeines Hornkraut*Cerastium glomeratum*
Knäuel-Hornkraut*Chaerophyllum aromaticum*
Duft-Kälberkropf*Chaerophyllum aureum*
Gold-Kälberkropf< *Chaerophyllum hirsutum* s.str.
Agr. Wimper-Kälberkropf< *Chaerophyllum hirsutum* s.str.
Wimper-Kälberkropf*Chelidonium majus*
Schöllkraut*Chenopodium album* agg.
Artengruppe Weißer Gänsefuß

Chenopodium album s.str. - Cirsium palustre

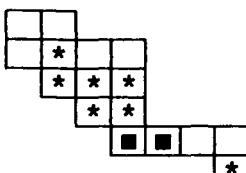

< *Chenopodium album* s.str.
Weißer Gänsefuß

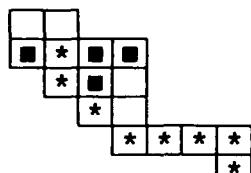

< (*Chenopodium pedunculare*)

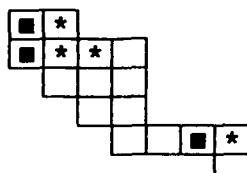

Chenopodium bonus-henricus
Guter-Heinrich

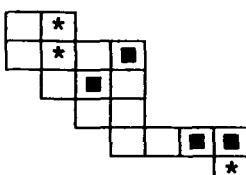

Chenopodium polyspermum
Vielsamiger Gänsefuß

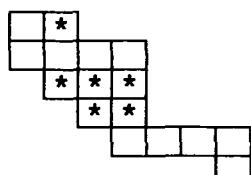

Chrysosplenium alternifolium
Wechselblatt-Milzkraut

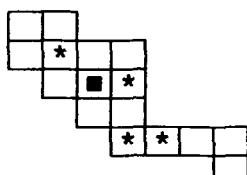

Cicerbita alpina
Milchlattich

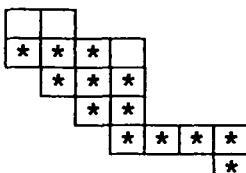

Circaea alpina
Gebirgs-Hexenkraut

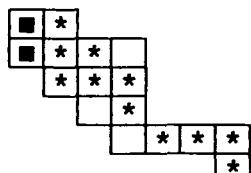

Circaea lutetiana
Wald-Hexenkraut

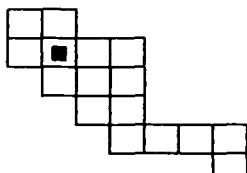

Circaea x intermedia
Mittleres Hexenkraut

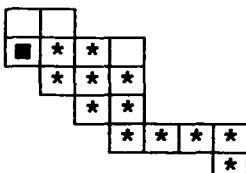

Cirsium arvense
Acker-Kratzdistel

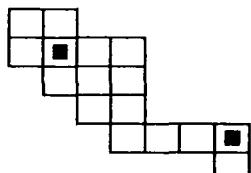

Cirsium heterophyllum
Verschiedenblättrige Kratzdistel

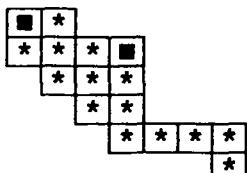

Cirsium heterophyllum x palustre

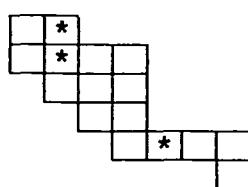

Cirsium oleraceum
Kohl-Kratzdistel

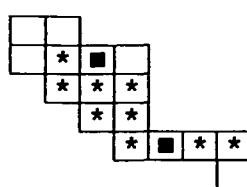

Cirsium oleraceum x palustre

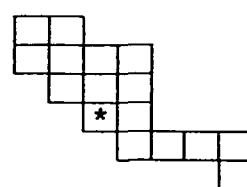

Cirsium palustre
Sumpf-Kratzdistel

Cirsium rivulare - Crepis capillaris

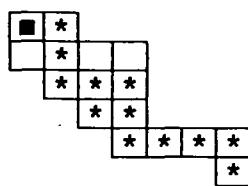

Cirsium rivulare
Bach-Kratzdistel

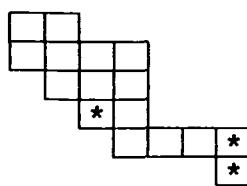

Cirsium vulgare
Gewöhnliche Kratzdistel

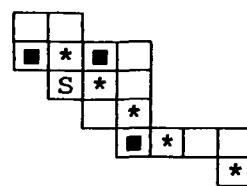

Clematis vitalba
Gewöhnliche Waldrebe

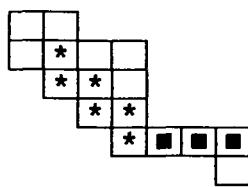

Clinopodium vulgare
Wirbeldost

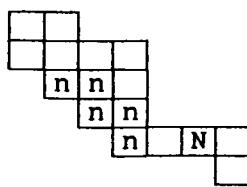

Colchicum autumnale
Herbstzeitlose

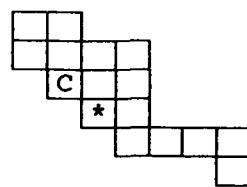

Convallaria majalis
Maiglöckchen

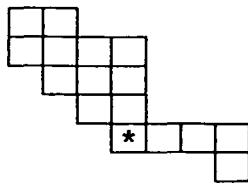

Convolvulus arvensis
Acker-Winde

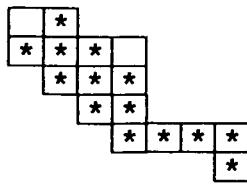

Conyza canadensis
Gewöhnl. Kanadaberufkraut

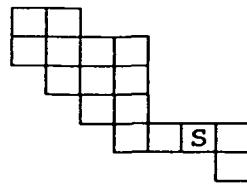

Cornus sanguinea
Rot-Hartiegel

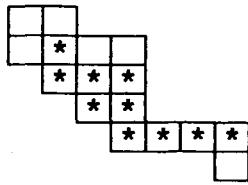

Coronilla vaginalis
Scheiden-Kronwicke

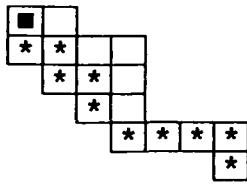

Corylus avellana
Gewöhnliche Hasel

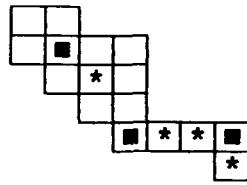

Crataegus laevigata agg.
Artengr. Zweikern-Weißdorn

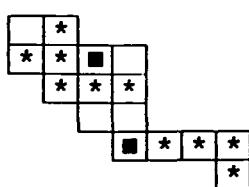

Crataegus monogyna
Einkern-Weißdorn

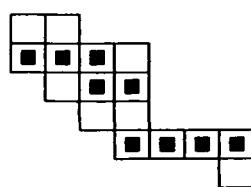

Crepis biennis
Wiesen-Pippau

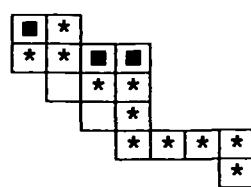

Crepis capillaris
Grün-Pippau

Crepis mollis - Dactylorhiza majalis s.str.

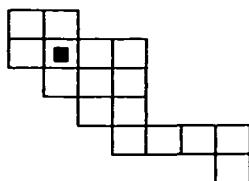

Crepis mollis
Weichhaar-Pippau

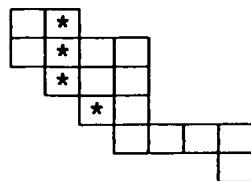

< *Crepis mollis*
subsp. *scuccisifolia*

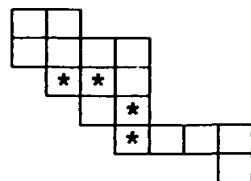

Crepis paludosa
Sumpf-Pippau

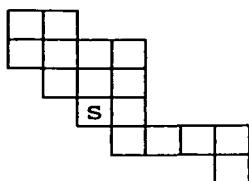

Crepis tectorum
Dach-Pippau

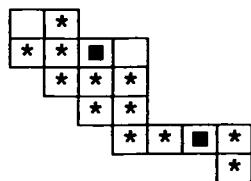

Cuscuta epithymum
Quendel-Teufelszwirn

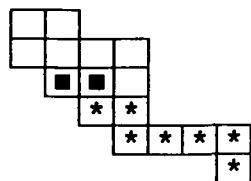

Cuscuta europaea
Nessel-Teufelszwirn

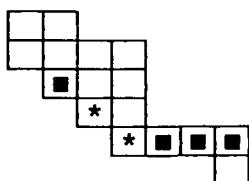

Cymbalaria muralis
Zimbelkraut

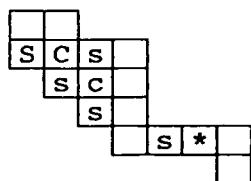

Cynosurus cristatus
Wiesen-Kammgras

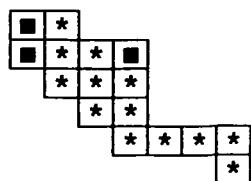

Cystopteris fragilis agg.
Agr. Zerbrechlicher Blasenfarn

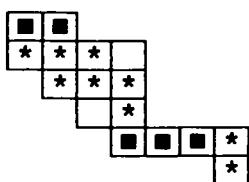

< *Cystopteris fragilis* s.str.
Zerbrechlicher Blasenfarn

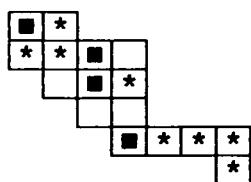

Cytisus scoparius
subsp. *scoparius*
Besenginster

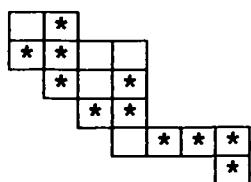

Dactylis glomerata agg.
Artengruppe Knäuelgras

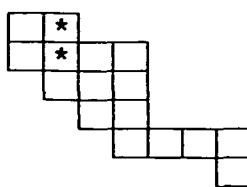

< *Dactylis glomerata* s.str.
Wiesen-Knäuelgras

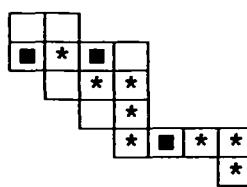

Dactylorhiza maculata (= *fuchsii*)
Geflecktes Fingernabbenkraut

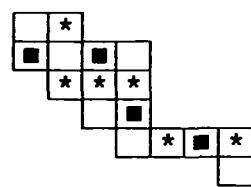

Dactylorhiza majalis s.str.
Breitblatt-Fingernabbenkraut

Dactylorhiza sambucina - Doronicum austriacum

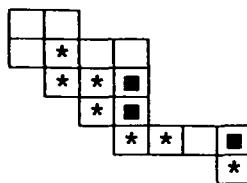

Dactylorhiza sambucina
Holunder-Fingerknabenkraut

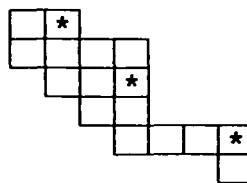

Danthonia decumbens
Dreizahn

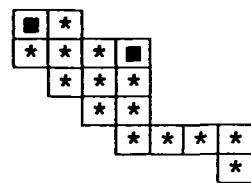

Daphne mezereum
Echter Seidelbast

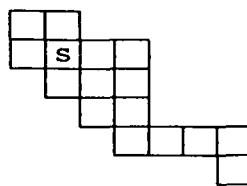

Daucus carota
Möhre

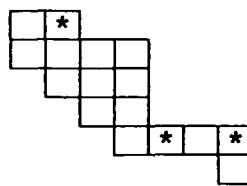

Dentaria enneaphyllos
Neunblatt-Zahnwurz

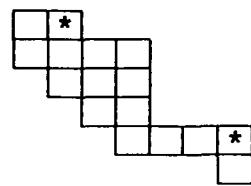

Deschampsia cespitosa s.str.
Gewöhnliche Rasenschmiele

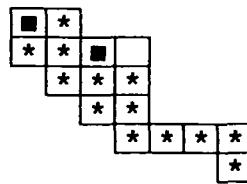

Dianthus barbatus
Bart-Nelke

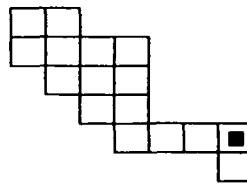

Dianthus carthusianorum agg.
Artengruppe Karthäuser-Nelke

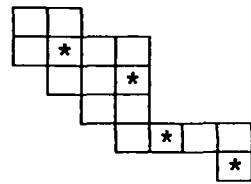

< *Dianthus carthusianorum s.str.*
Eigentliche Karthäuser-Nelke

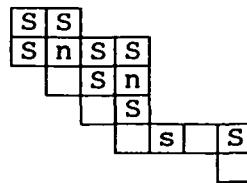

Dianthus deltoides
Heide-Nelke

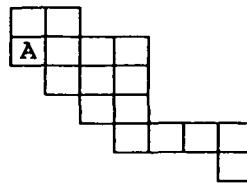

Dianthus superbus
Pracht-Nelke

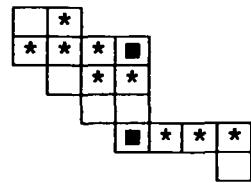

Digitalis grandiflora
Großer Fingerhut

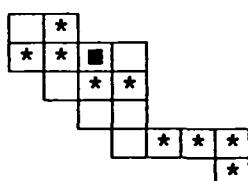

Digitalis purpurea
Roter Fingerhut

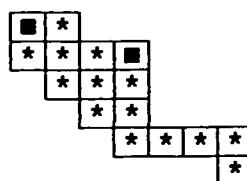

Dipsacus fullonum
Wilde Kardde

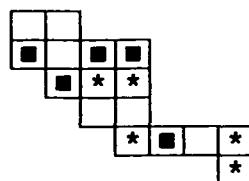

Doronicum austriacum
Österreichische Gemswurz

Drosera rotundifolia - Elymus repens

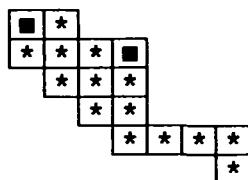

Drosera rotundifolia
Rundblatt-Sonnentau

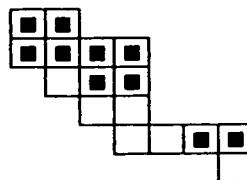

Dryopteris carthusiana agg.
Artengruppe Dornfarn

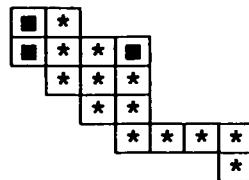

< *Dryopteris carthusiana* s.str.
Dorn-Wurmfarm

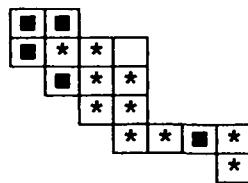

< *Dryopteris dilatata*
Dunkler Dornfarn

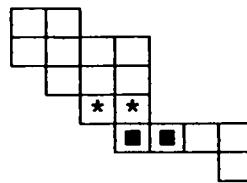

< *Dryopteris expansa*
Gebirgs-Dornfarn

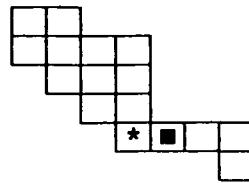

Dryopteris filix-mas agg.
Agr. Gewöhnlicher Wurmfarm

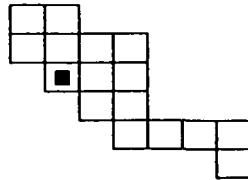

< *Dryopteris filix-mas* s.str.
Echter Wurmfarm

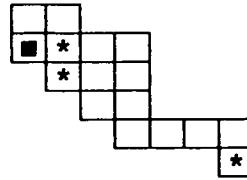

Echinochloa crus-galli
Hühnerhirse

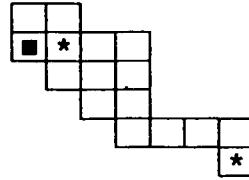

Echium vulgare
Gewöhnlicher Natternkopf

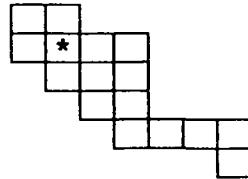

Elatine triandra
Dreimänniges Tännel

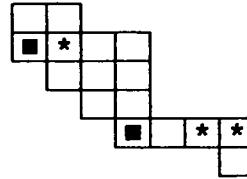

Eleocharis palustris agg.
Artengr. Große Sumpfbinsen

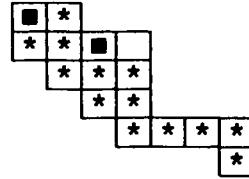

< *Eleocharis mamillata* s.lat.
Zitzen-Sumpfbinsen

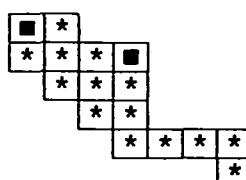

< *Eleocharis mamillata* s.str.
Eigentliche Zitzen-Sumpfbinsen

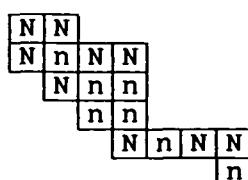

Elymus caninus
Hunds-Quecke

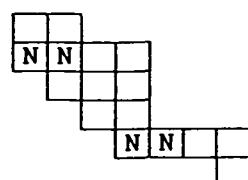

Elymus repens
Acker-Quecke

Epilobium angustifolium - Epipactis palustris

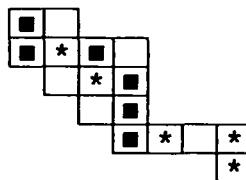

Epilobium angustifolium
Waldschlag-Weidenröschen

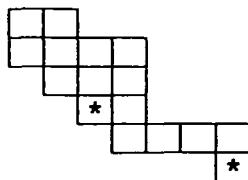

Epilobium ciliatum
Amerikanisches Weidenröschen

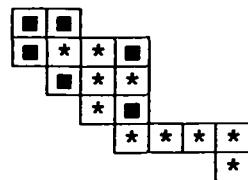

Epilobium ciliatum x obscurum

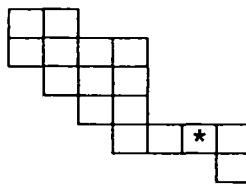

Epilobium collinum
Hügel-Weidenröschen

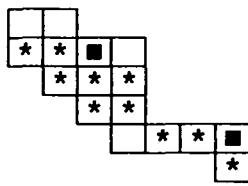

Epilobium hirsutum
Zottiges Weidenröschen

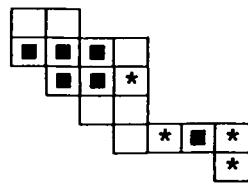

Epilobium montanum
Berg-Weidenröschen

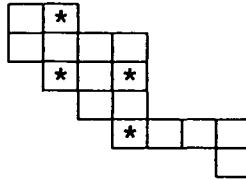

Epilobium nutans
Nickendes Weidenröschen

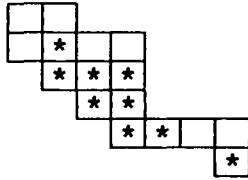

Epilobium obscurum
Dunkles Weidenröschen

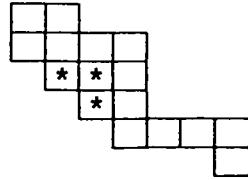

Epilobium palustre
Sumpf-Weidenröschen

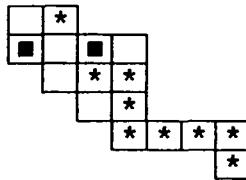

Epilobium parviflorum
Flaum-Weidenröschen

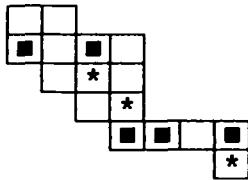

Epilobium roseum
Blässe Weidenröschen

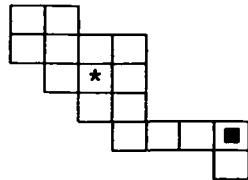

Epilobium tetragonum
Vierkant-Weidenröschen

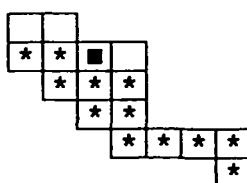

Epipactis helleborine agg.
Artengr. Breitblatt-Stendelwurz

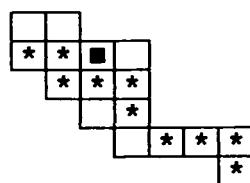

< *Epipactis helleborine s.str.*
Breitblatt-Stendelwurz

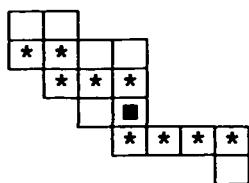

Epipactis palustris
Sumpf-Stendelwurz

Equisetum arvense - Euphorbia esula agg.

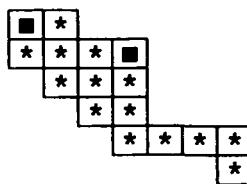

Equisetum arvense
Acker-Schachtelhalm

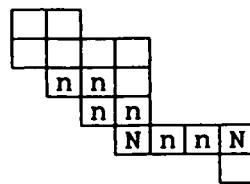

Equisetum fluviatile
Teich-Schachtelhalm

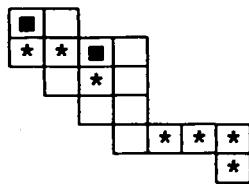

Equisetum palustre
Sumpf-Schachtelhalm

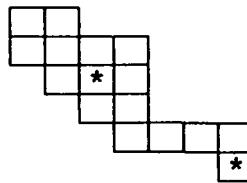

Equisetum sylvaticum
Wald-Schachtelhalm

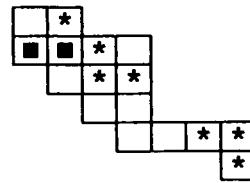

Erigeron annuus
Feinstrahl

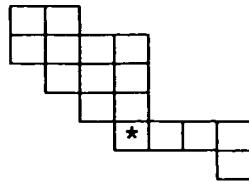

Eriophorum angustifolium
Schmallblatt-Wollgras

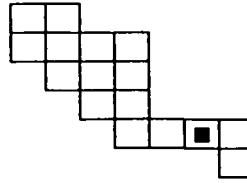

Eriophorum latifolium
Breitblatt-Wollgras

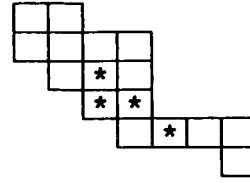

Eriophorum vaginatum
Scheiden-Wollgras

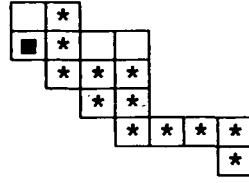

Erodium cicutarium s.str.
Gewöhnlicher Reiherschnabel

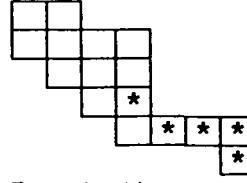

Erysimum cheiranthoides
Ruderal-Goldlack

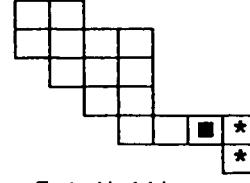

Eupatorium cannabinum
Wasserdst

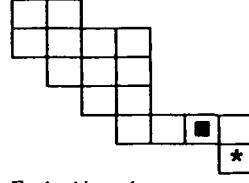

Euphorbia cyparissias
Zypressen-Wolfsmilch

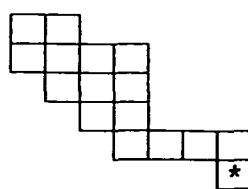

Euphorbia dulcis
Süß-Wolfsmilch

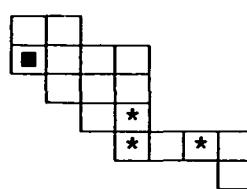

< *Euphorbia dulcis*
subsp. *dulcis*
Behaartfrüchtige Süß-Wolfsm.

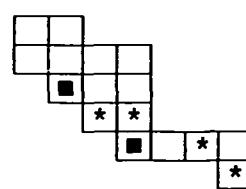

Euphorbia esula agg.
Artengruppe Esels-Wolfsmilch

Euphorbia esula s.str. - Fallopia sachalinensis< *Euphorbia esula* s.str.

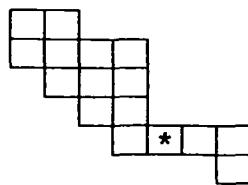

Esels-Wolfsmilch

*Euphorbia helioscopia*

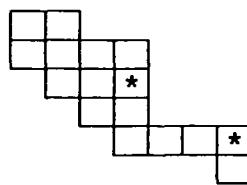

Sonnwend-Wolfsmilch

< *Euphorbia peplus* s.str.

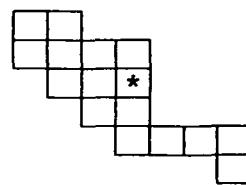

Garten-Wolfsmilch

*Euphorbia platyphyllus*

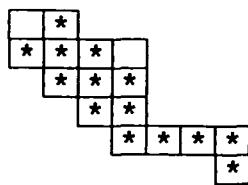

Breitblatt-Wolfsmilch

*Euphrasia nemorosa* agg.

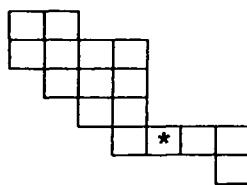

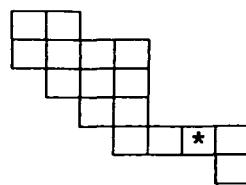

Artengruppe Hain-Augentrost

< *Euphrasia micrantha*

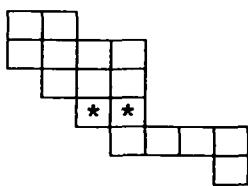

Schlanker Augentrost

*Euphrasia officinalis*

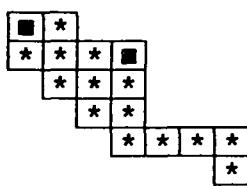

Wiesen-Augentrost

< (*Euphrasia officinalis*
subsp. *monticola*)*Euphrasia stricta* agg.

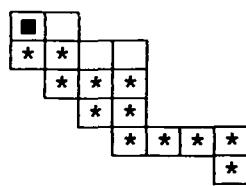

Artengruppe Heide-Augentrost

*Evonymus europaea*

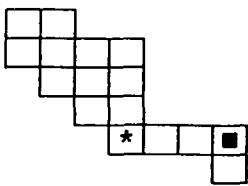

Gewöhnlicher Spindelstrauch

*Fagus sylvatica*

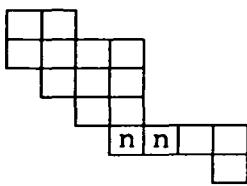

Rotbuche

*Fallopia convolvulus*

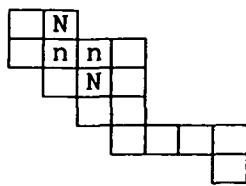

Kleiner Windenknoterich

*Fallopia dumetorum*

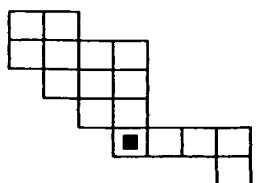

Großer Windenknoterich

*Fallopia japonica*

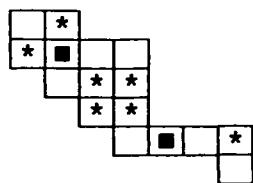

Japanischer Staudenknoterich

*Fallopia sachalinensis*

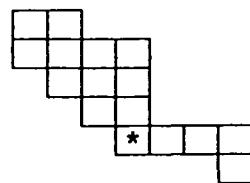

Sachalin-Staudenknoterich

Fallopia japonica x sachalinensis - Fragaria vesca

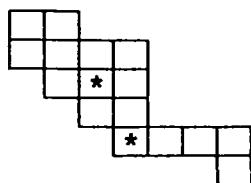

Fallopia japonica x sachalinensis

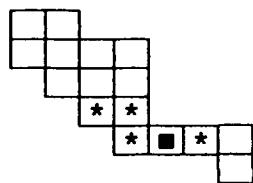

Festuca altissima
Wald-Schwingel

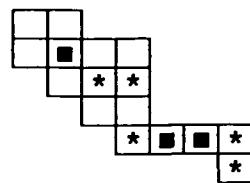

Festuca arundinacea
Rohr-Schwingel

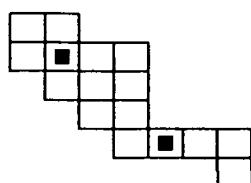

Festuca brevipila
Rauhblatt-Schwingel

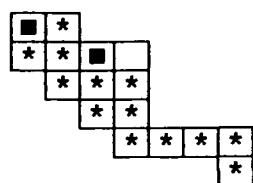

Festuca gigantea
Riesen-Schwingel

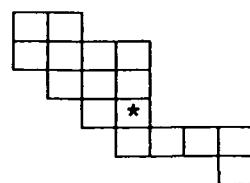

Festuca "ovina agg."
Artengruppe Schaf-Schwingel

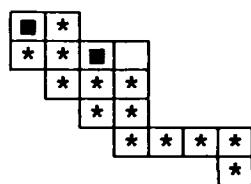

< *Festuca ovina* s.str.
Eigentlicher Schaf-Schwingel

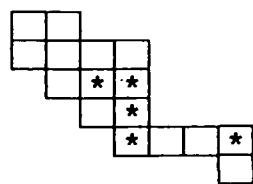

Festuca pratensis
Wiesen-Schwingel

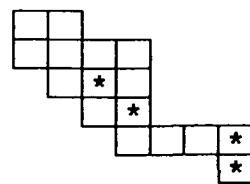

< *Festuca pratensis*
subsp. *pratensis*
Gewöhnl. Wiesen-Schwingel

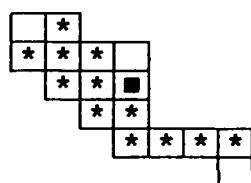

Festuca rubra agg.
Artengruppe Rot-Schwingel

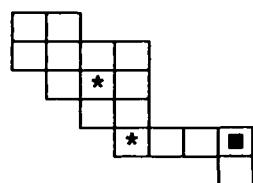

< *Festuca nigrescens*
Horst-Rot-Schwingel

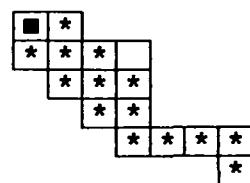

< *Festuca rubra* s.str.
Gewöhnlicher Rot-Schwingel

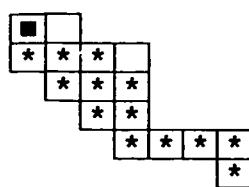

Filipendula ulmaria
Echtes Mädesüß

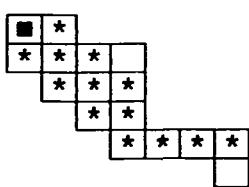

Fragaria moschata
Zimt-Erdbeere

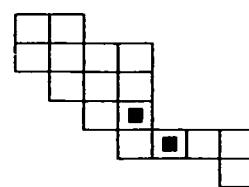

Fragaria vesca
Wald-Erdbeere

Frangula alnus - Galium mollugo agg.

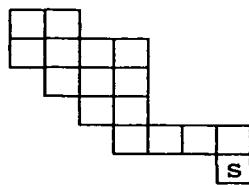

Frangula alnus
Faulbaum

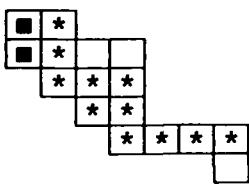

Fraxinus excelsior
Gewöhnliche Esche

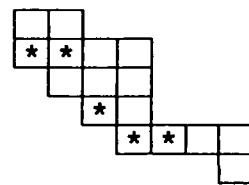

Fumaria officinalis
Echter Erdrauch

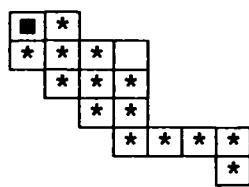

Fumaria vaillantii
Blässer Erdrauch

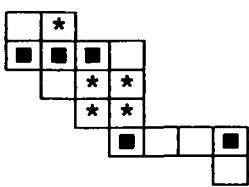

Galeopsis pubescens
Flaum-Hohlzahn

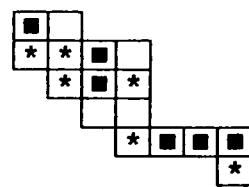

Galeopsis speciosa
Bunt-Hohlzahn

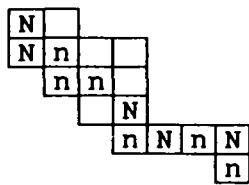

Galeopsis tetrahitz agg.
Artengruppe Dorn-Hohlzahn

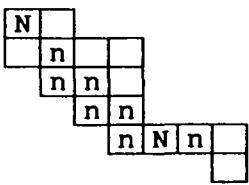

< *Galeopsis bifida*
Zweizipfliger Hohlzahn

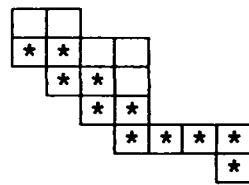

< *Galeopsis tetrahitz* s.str.
Dorn-Hohlzahn

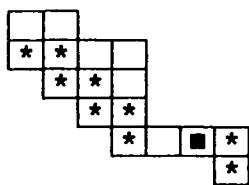

Galinsoga ciliata
Behaartes Knopfkraut

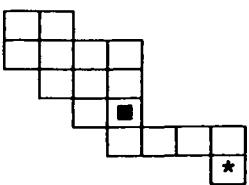

Galinsoga parviflora
Kleinblütiges Knopfkraut

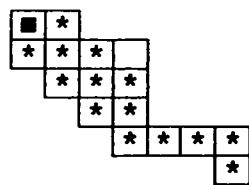

Galium aparine agg.
Artengruppe Kletten-Labkraut

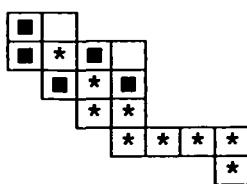

< *Galium aparine* s.str.
Kletten-Labkraut

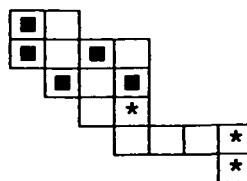

< *Galium spurium*
Acker-Labkraut

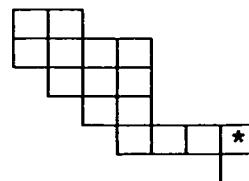

Galium mollugo agg.
Artengruppe Wiesen-Labkraut

Galium album s.lat. - Genista germanica< *Galium album* s.lat.

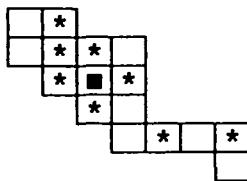

Weiß-Labkraut i.w.S.

< *Galium album* s.str.

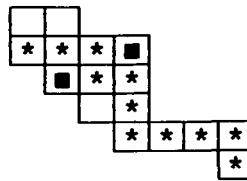

Großes Wiesen-Labkraut

< *Galium mollugo* s.str.

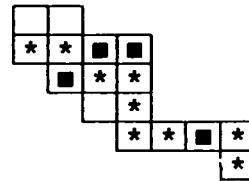

Kleines Wiesen-Labkraut

*Galium odoratum*

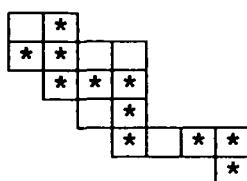

Waldmeister

*Galium palustre* agg.

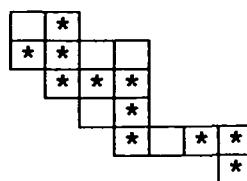

Artengruppe Sumpf-Labkraut

< *Galium palustre* s.str.

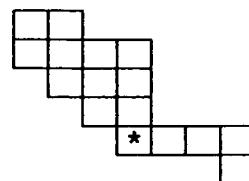

Sumpf-Labkraut

*Galium pusillum* agg.

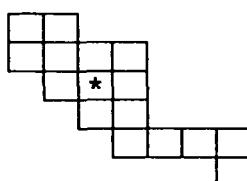

Artengruppe Kleines Labkraut

< *Galium pumilum*

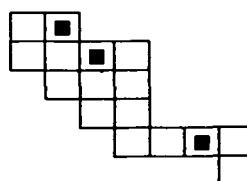

Heide-Labkraut

< *Galium valdepilosum*

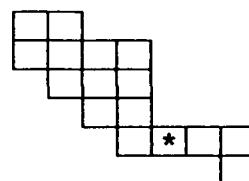

Mährisches Labkraut

*Galium rotundifolium*

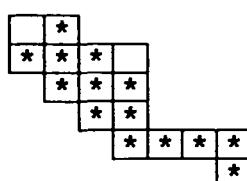

Rundblatt-Labkraut

*Galium saxatile*

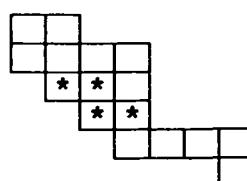

Harz-Labkraut

*Galium sylvaticum* s.str.

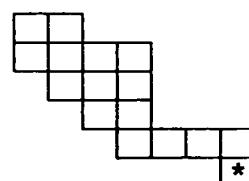

Wald-Labkraut

*Galium uliginosum*

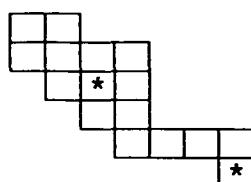

Moor-Labkraut

*Galium verum* agg.

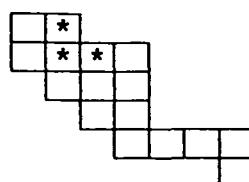

Artengruppe Gelb-Labkraut

*Genista germanica*

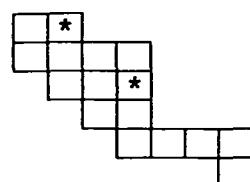

Deutscher Ginster

Genista tinctoria - Geum urbanum

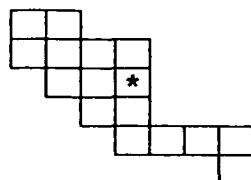

Genista tinctoria
Färber-Ginster

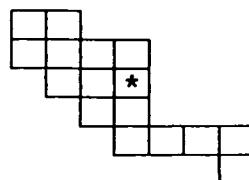

Gentiana pannonica
Ostalpen-Enzian

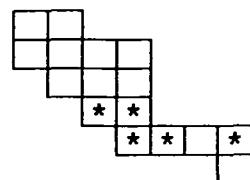

Gentianella germanica agg.
Agr. Deutscher Kranzenzian

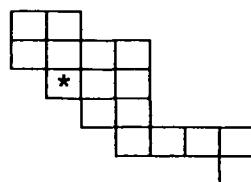

< *Gentianella austriaca*
Österreichischer Kranzenzian

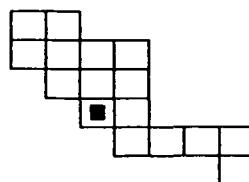

< *Gentianella praecox*
Karpaten-Kranzenzian

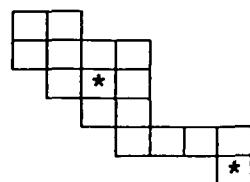

Geranium dissectum
Schlitzblatt-Storchschnabel

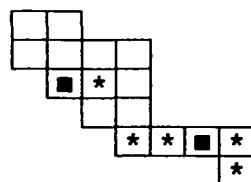

Geranium palustre
Sumpf-Storchschnabel

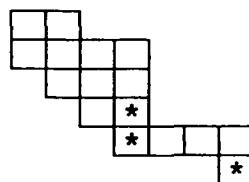

Geranium phaeum
Brauner Storchschnabel

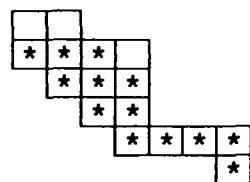

Geranium pratense
Wiesen-Storchschnabel

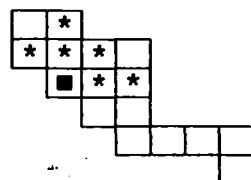

Geranium pusillum
Kleiner Storchschnabel

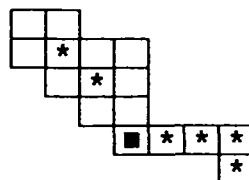

Geranium pyrenaicum
Pyrenäen-Storchschnabel

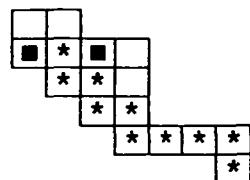

Geranium robertianum s.str.
Stink-Storchschnabel

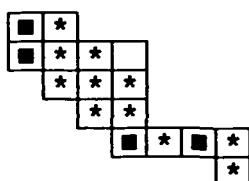

Geranium sylvaticum
Wald-Storchschnabel

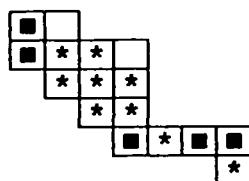

Geum rivale
Bach-Nelkenwurz

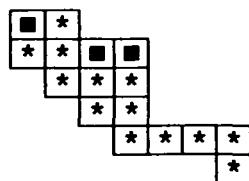

Geum urbanum
Echte Nelkenwurz

Glechoma hederacea agg. - Helianthemum ovatum

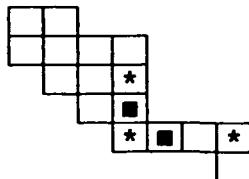

Glechoma hederacea agg.
Artengruppe Gundelrebe

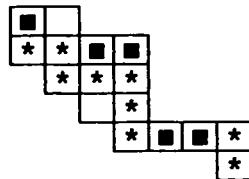

Glechoma hederacea s.str.
Echte Gundelrebe

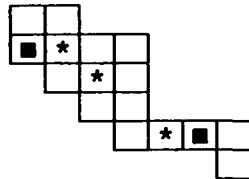

Glyceria fluitans agg.
Artengruppe Flut-Schwaden

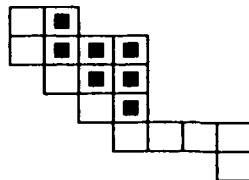

< *Glyceria declinata*
Blaugrüner Schwaden

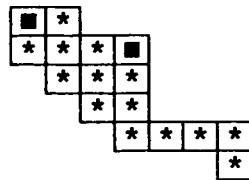

< *Glyceria fluitans s.str.*
Flut-Schwaden

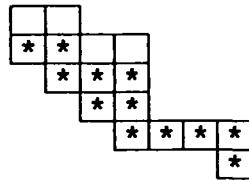

< *Glyceria notata*
Falt-Schwaden

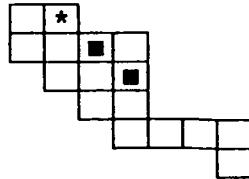

Gnaphalium norvegicum
Norwegisches Ruhrkraut

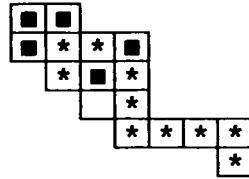

Gnaphalium sylvaticum
Wald-Ruhrkraut

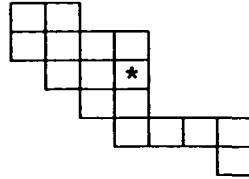

Gnaphalium uliginosum
Sumpf-Ruhrkraut

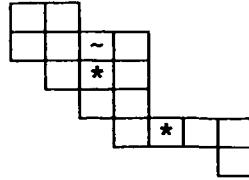

Gymnadenia conopsea
Mücken-Händelwurz

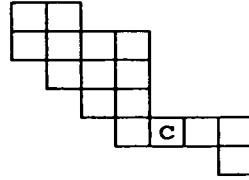

Gymnocarpium dryopteris
Eigentlicher Eichenfarn

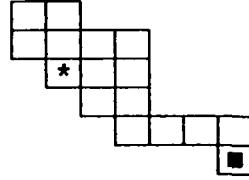

Gymnocarpium robertianum
Ruprechts-Eichenfarn

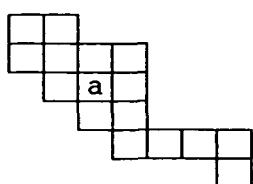

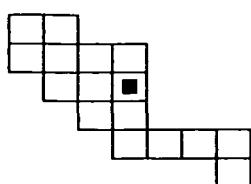

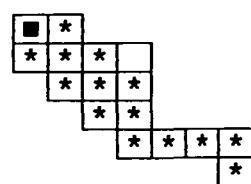

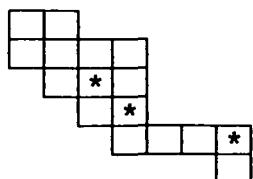

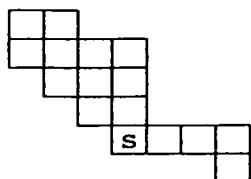

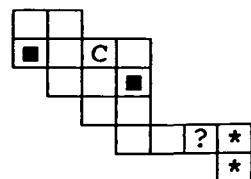

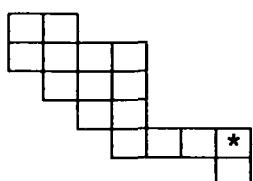

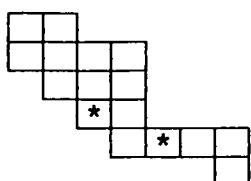

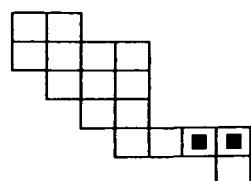

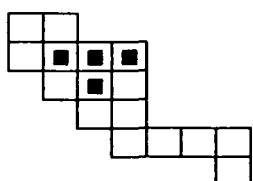

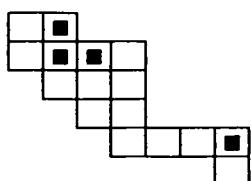

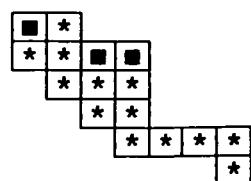

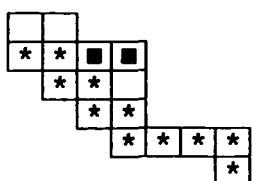

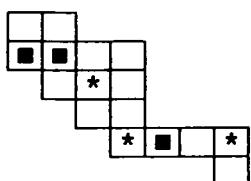

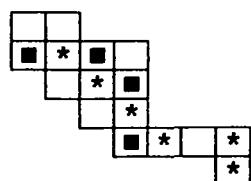

Hedera helix
Efeu

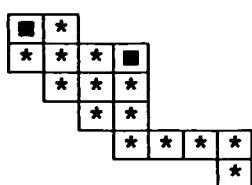

Helleborus viridis
Grüne Nieswurz

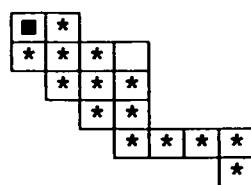

Helianthemum ovatum
Trübgrünes Sonnenröschen

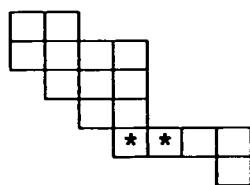

Helianthus annuus - Hieracium laevigatum***Helianthus annuus***
Sonnenblume***Heracleum mantegazzianum***
Riesen-Bärenklau***Heracleum sphondylium***
Gewöhnliche Bärenklau< ***Heracleum sphondylium***
subsp. *sphondylium*

Teufelsklaue

***Hypericum humifusum***

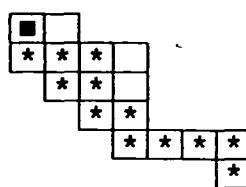

Liegendes Johanniskraut

***Hypericum maculatum agg.***

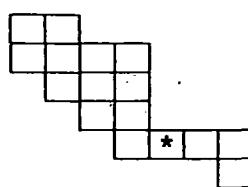

Agr. Flecken-Johanniskraut

< ***Hypericum maculatum s.str.***

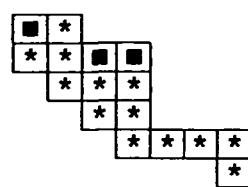

Flecken-Johanniskraut

Hypericum perforatum - Juncus bufonius s.str.

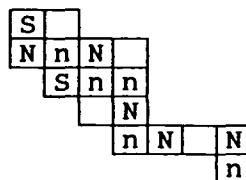

Hypericum perforatum
Echtes Johanniskraut

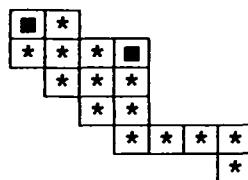

Hypericum tetrapterum
Flügel-Johanniskraut

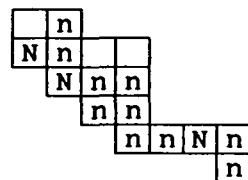

Hypochoeris radicata
Gewöhnliches Ferkelkraut

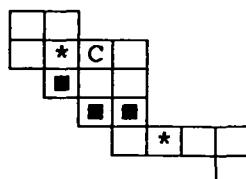

Impatiens glandulifera
Drüseng-Springkraut

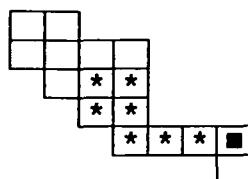

Impatiens noli-tangere
Großes Springkraut

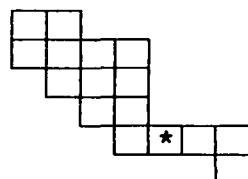

Impatiens parviflora
Kleines Springkraut

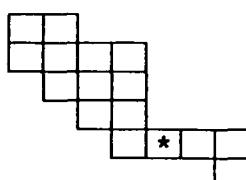

Iris pseudacorus
Wasser-Schwertlilie

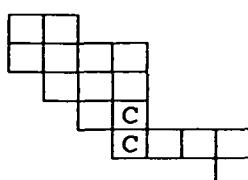

Jasione montana
Sandglöckchen

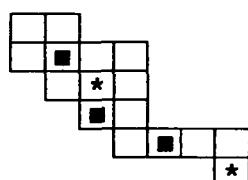

Jovibarba hirta agg.
Artengruppe Donarsbart

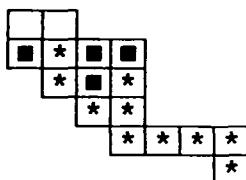

< *Jovibarba sobolifera*
Ausläufer-Donarsbart

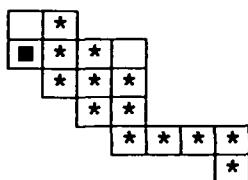

Juglans regia
Schwarz-Walnuß

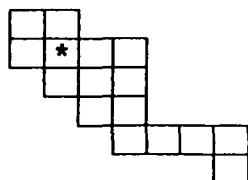

Juncus acutiflorus
Spitzblüten-Simse

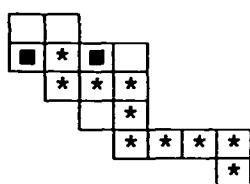

Juncus articulatus
Glieder-Simse

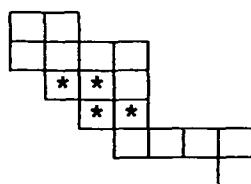

Juncus bufonius agg.
Artengruppe Kröten-Simse

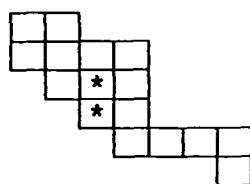

< *Juncus bufonius s.str.*
Kröten-Simse

Juncus bulbosus - Lamium maculatum*Juncus bulbosus*

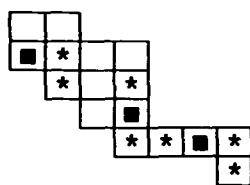

Rasen-Simse

Wald-Vergißmeinnicht

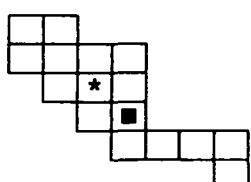

Myosoton aquaticum
Wassermiere

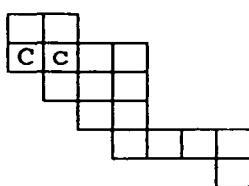

Nardus stricta
Bürstling

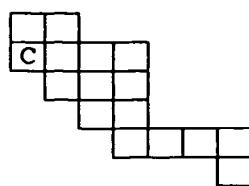

Nasturtium officinale agg.
Artengruppe Brunnenkresse

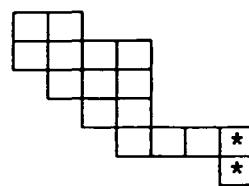

Neslia paniculata
Finkensame

Nymphaea alba - Papaver rhoes

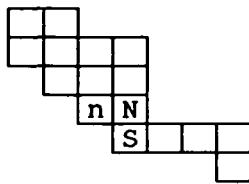

Nymphaea alba
Große Seerose

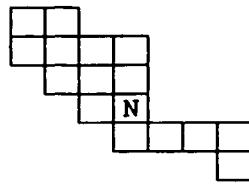

Nymphoides peltata
Seekanne

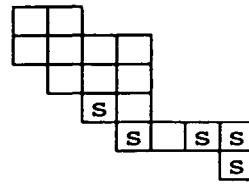

Odontites vernus
Frühlings-Zahntrost

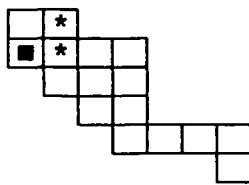

Oenothera biennis agg.
Agr. Gewöhnliche Nachtkerze

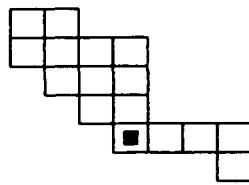

< *Oenothera erythrosepala*
Rotkelch-Nachtkerze

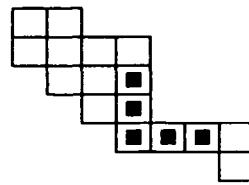

Onobrychis viciifolia s.str.
Gewöhnliche Esparsette

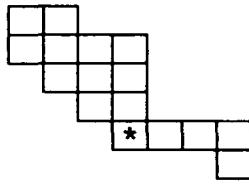

Orchis mascula
Stattliches Knabenkraut

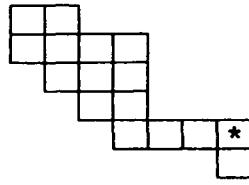

Origanum vulgare s.str.
Dost

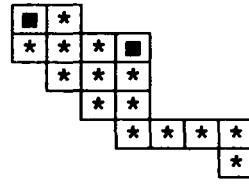

Orobanche alba
Quendel-Sommerwurz

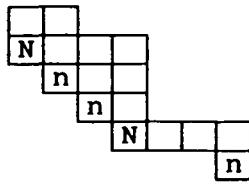

Orobanche minor
Klee-Sommerwurz

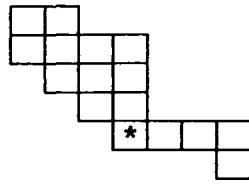

Orthilia secunda
Birngrün

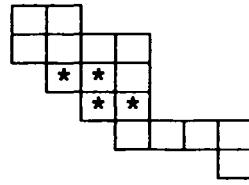

Oxalis acetosella
Wald-Sauerklee

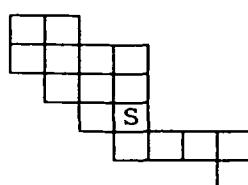

Oxalis stricta
Aufrechter Sauerklee

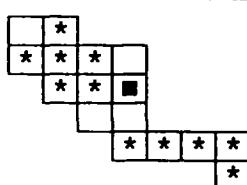

Papaver dubium agg.
Artengruppe Schmalkopf-Mohn

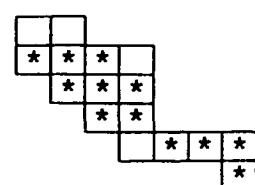

Papaver rhoes
Klatsch-Mohn

Papaver somniferum - Persicaria minor

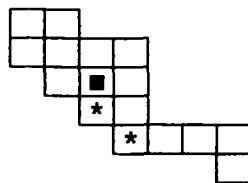

Papaver somniferum
Schlaf-Mohn

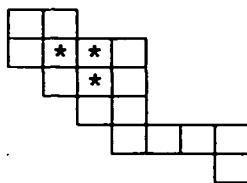

Paris quadrifolia
Einbeere

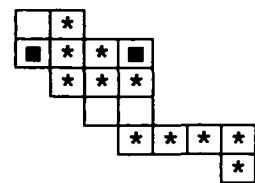

Parnassia palustris
Herzblatt

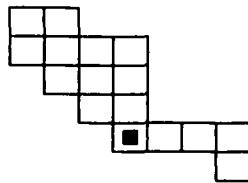

Pastinaca sativa
Pastinak

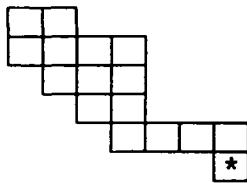

Pedicularis palustris
Sumpf-Läusekraut

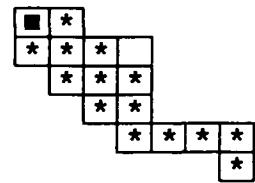

Pedicularis sylvatica
Wald-Läusekraut

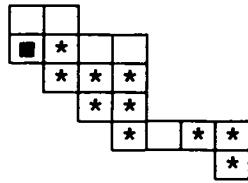

Peplis portula
Sumpfquendel

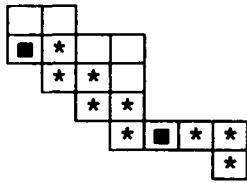

Persicaria amphibia
Wasser-Knöterich

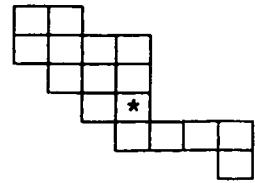

Persicaria bistorta
Schlangen-Knöterich

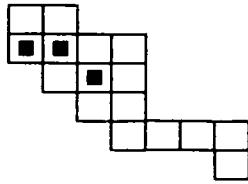

Persicaria hydropiper
Pfeffer-Knöterich

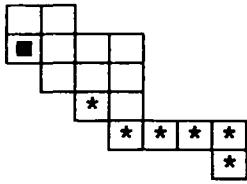

Persicaria lapathifolia
Ampfer-Knöterich

Phegopteris connectilis

Buchenfarn

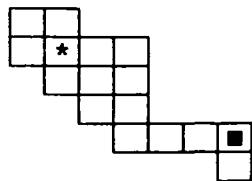

Phleum alpinum agg.

Artengruppe Alpen-Lieschgras

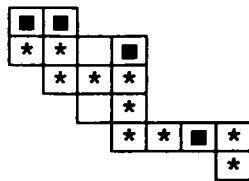

Phleum pratense agg.

Artengr. Wiesen-Lieschgras

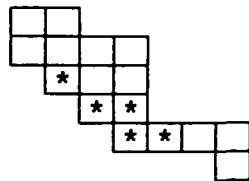

< *Phleum bertolonii*

Zwiebel-Lieschgras

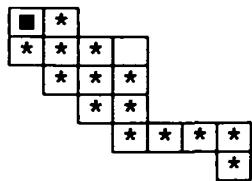

< *Phleum pratense* s.str.

Wiesen-Lieschgras

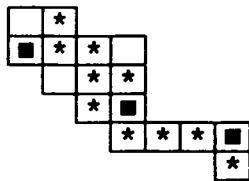

Phragmites australis

Schilf

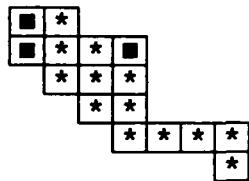

Phyteuma nigrum

Schwarze Teufelskralle

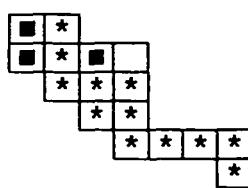

Phyteuma spicatum

Ähren-Teufelskralle

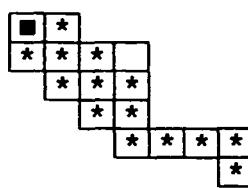

Picea abies

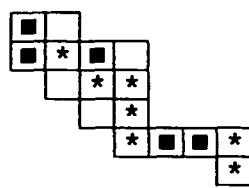

Fichte

Pimpinella major - Plantago media

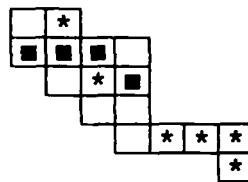

Pimpinella major
Groß-Bibernelle

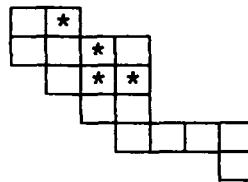

Pimpinella saxifraga agg.
Artengruppe Klein-Bibernelle

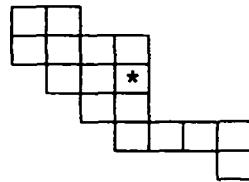

< **Pimpinella saxifraga s.str.**
Klein-Bibernelle

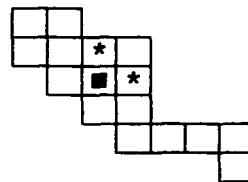

Pinguicula vulgaris
Gewöhnliches Fettkraut

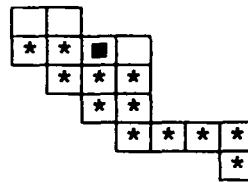

Pinus mugo agg.
Artengruppe Berg-Föhre

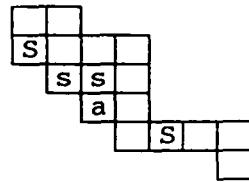

< **Pinus uncinata (?)**
Spirke

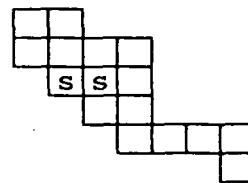

< **Pinus x rotundata**
Moor-Spirke

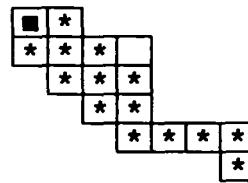

Pinus sylvestris
Rot-Föhre

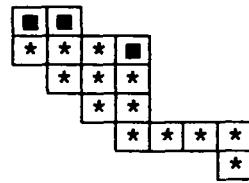

Pisum sativum
Gewöhnliche Erbse

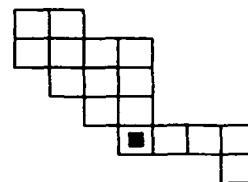

< **Pisum sativum**
subsp.sativum
Garten-Erbse

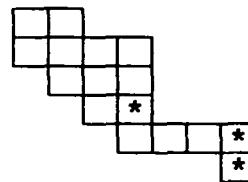

Plantago lanceolata
Spitz-Wegerich

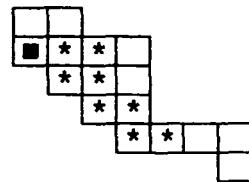

Plantago major
Groß-Wegerich

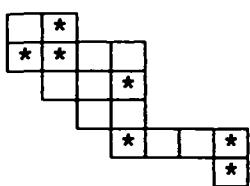

< **Plantago major**
subsp.intermedia
Feuchtacker-Groß-Wegerich

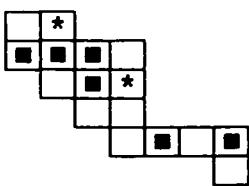

< **Plantago major**
subsp.major
Gewöhnlicher Groß-Wegerich

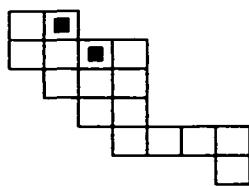

Plantago media
Mittel-Wegerich

Platanthera bifolia - Poa trivialis s.str.

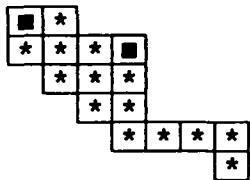

Platanthera bifolia
Weiße Waldhyazinthe

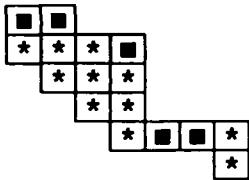

Platanthera chlorantha
Grünliche Waldhyazinthe

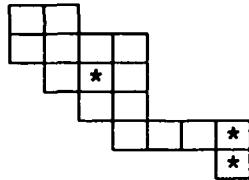

Poa alpina
Alpen-Rispe

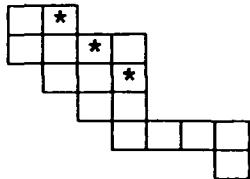

Poa annua agg.
Agr. Einjähriges Rispengras

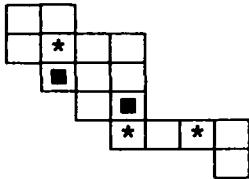

< *Poa annua s.str.*
Einjahrs-Rispe

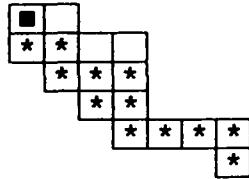

< *Poa supina*
Läger-Rispe

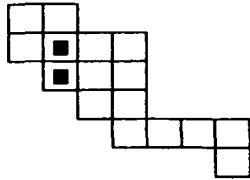

Poa chaixii
Wald-Rispe

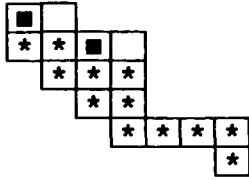

Poa compressa
Plathalm-Rispe

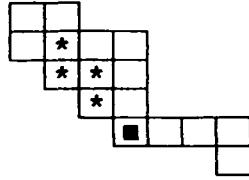

Poa nemoralis s.str.
Hain-Rispe

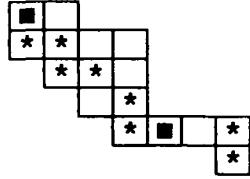

Poa palustris
Sumpf-Rispe

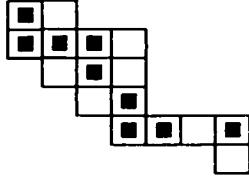

Poa pratensis agg.
Artengruppe Wiesen-Rispe

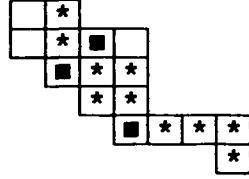

< *Poa angustifolia*
Schmallblatt-Rispe

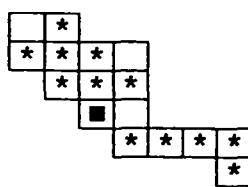

< *Poa pratensis s.str.*
Wiesen-Rispe

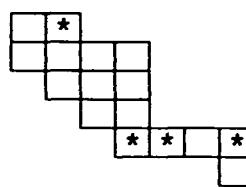

< *Poa subcoerulea*
Bläuliche Rispe

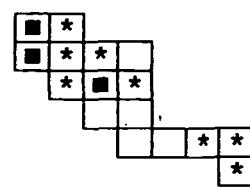

Poa trivialis s.str.
Graben-Rispe

Polygala vulgaris - Potamogeton obtusifolius

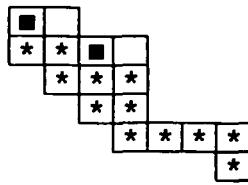

Polygala vulgaris
Wiesen-Kreuzblume

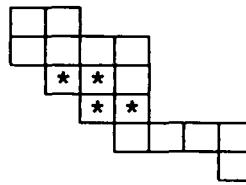

Polygonatum multiflorum
Wald-Weißwurz

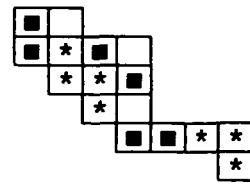

Polygonatum verticillatum
Quirl-Weißwurz

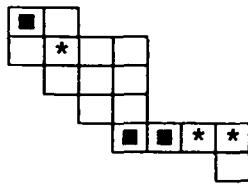

Polygonum aviculare agg.
Agr. Eigentl. Vogelknöterich

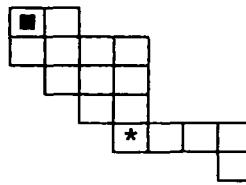

< *Polygonum arenastrum*
Gleichblättriger Vogelknöterich

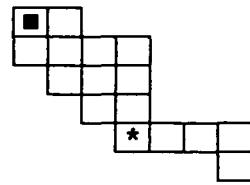

< *Polygonum aviculare* s.str.
Verschiedenblättriger Vogelk.

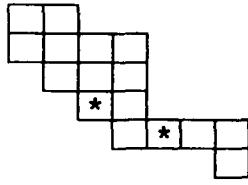

Polypodium vulgare s.str.
Gewöhnlicher Tüpfelfarn

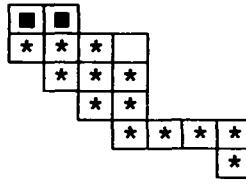

Polystichum aculeatum agg.
Agr. Gewöhnlicher Schildfarn

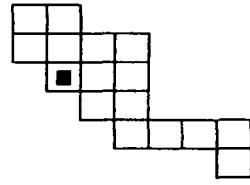

< *Polystichum aculeatum* s.str.
Gewöhnlicher Schildfarn

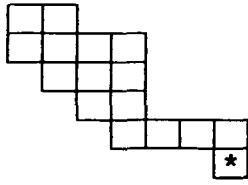

Populus nigra
Schwarz-Pappel

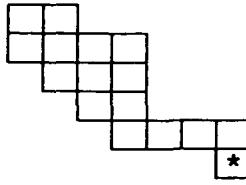

Populus tremula
Zitter-Pappel

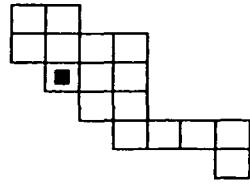

Potamogeton berchtoldii
Berchtold-Laichkraut

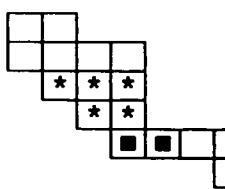

Potamogeton natans
Schwimmendes Laichkraut

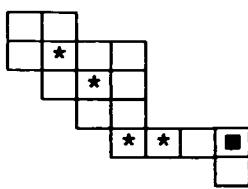

Potamogeton nodosus
Flutendes Laichkraut

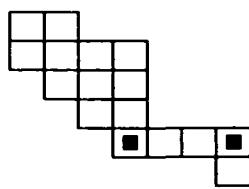

Potamogeton obtusifolius
Stumpfblatt-Laichkraut

Potentilla anserina - Pseudorchis albida

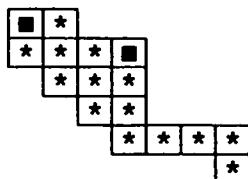

Potentilla anserina
Gänse-Fingerkraut

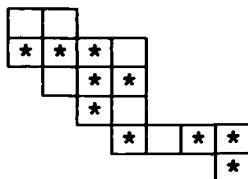

Potentilla argentea agg.
Artengr. Silber-Fingerkraut

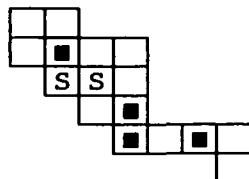

< **Potentilla argentea s.str.**
Silber-Fingerkraut

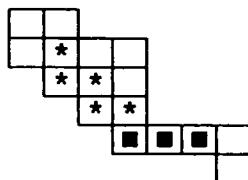

Potentilla erecta
Blutwurz

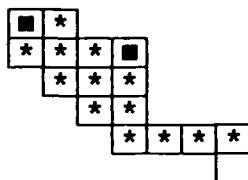

Potentilla palustris
Blutauge

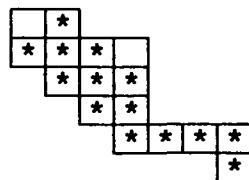

Potentilla recta s.str.
Aufrechtes Fingerkraut

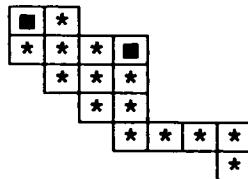

Potentilla reptans
Kriech-Fingerkraut

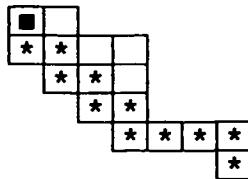

Prenanthes purpurea
Hasenlattich

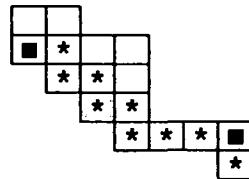

Primula elatior s.str.
Hohe Schlüsselblume

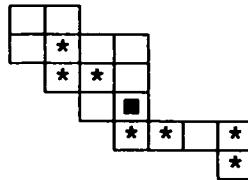

Prunella vulgaris
Gewöhnliche Brunelle

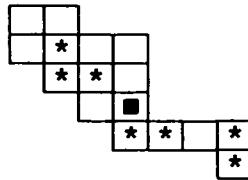

Prunus avium
Kirsche

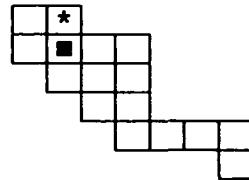

Prunus padus
Gewöhnliche Traubenkirsche

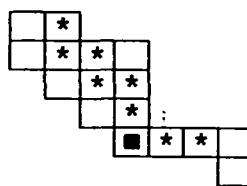

Prunus spinosa agg.
Artengruppe Schlehdorn

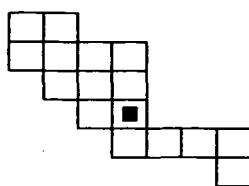

< **Prunus spinosa s.str.**
Schlehdorn

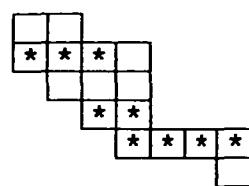

Pseudorchis albida
Höswurz

Pteridium aquilinum - Ranunculus flammula agg.*Pteridium aquilinum*

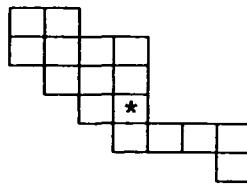

Adlerfarn

*Pulmonaria mollis
subsp. mollis*

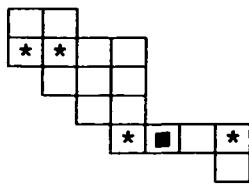

Weiches Lungenkraut

*Pulmonaria officinalis agg.*

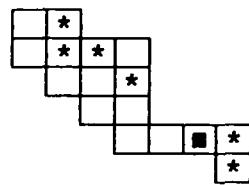

Artengr. Echtes Lungenkraut

< *Pulmonaria obscura*

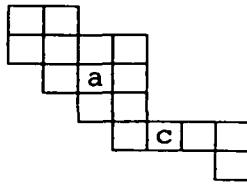

Dunkles Lungenkraut

< *Pulmonaria officinalis s.str.*

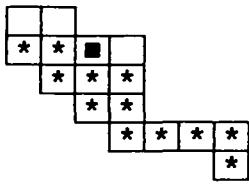

Fleck-Lungenkraut

*Pyrola minor*

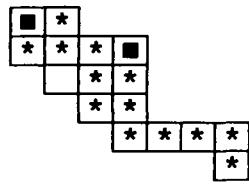

Klein-Wintergrün

*Pyrus communis agg.*

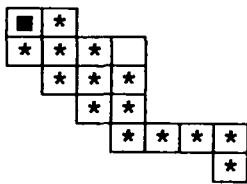

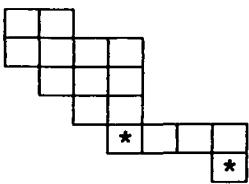

Artengruppe Birnbaum

*Quercus robur*

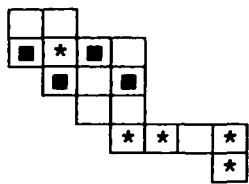

Stiel-Eiche

*Ranunculus aconitifolius*

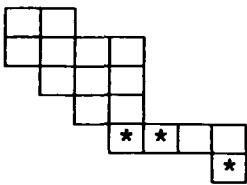

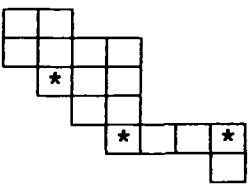

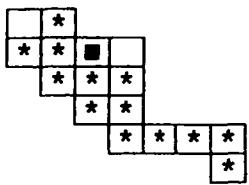

Eisenhut-Hahnenfuß

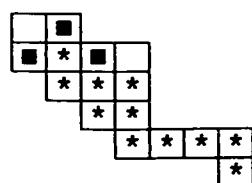

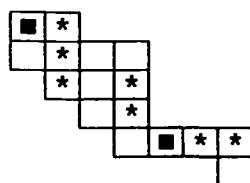

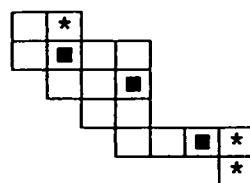

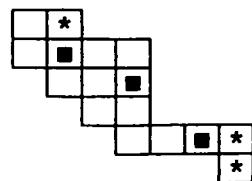

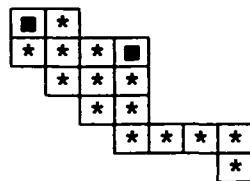

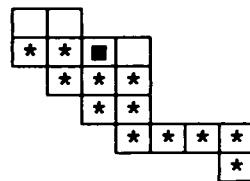

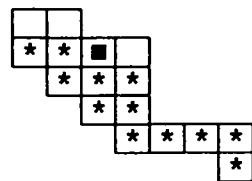

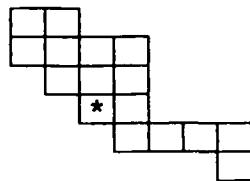

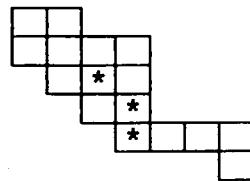

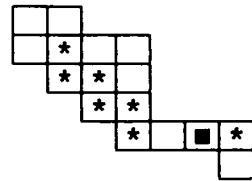

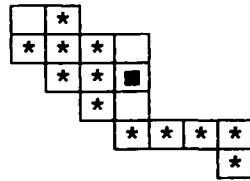

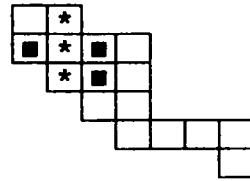

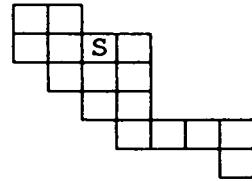

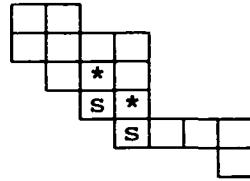

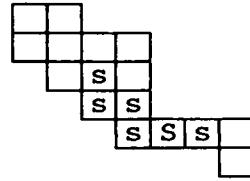

*Ranunculus acris
subsp. acris*
Gewöhnlicher Scharfer H.*Ranunculus aquatilis agg.*

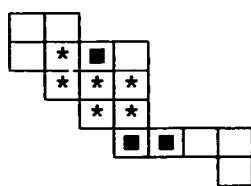

Agr. Großblüten Wasserh.

*Ranunculus auricomus agg.*

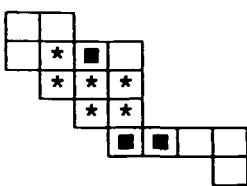

Artengruppe Gold-Hahnenfuß

*Ranunculus bulbosus s.str.*
Knollen-Hahnenfuß*Ranunculus ficaria
subsp. bulbifera*
Gewöhnliches Scharbockskraut*Ranunculus flammula agg.*
Artengr. Brenn-Hahnenfuß

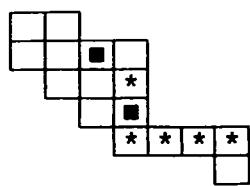

Ranunculus flammula s.str. - Robinia pseudacacia< *Ranunculus flammula* s.str.
Brenn-Hahnenfuß*Ranunculus lanuginosus*
Woll-Hahnenfuß*Ranunculus polyanthemos* agg.
Agr. Vielblütens-Hahnenfuß< *Ranunculus nemorosus*
Wald-Hahnenfuß*Ranunculus repens*
Kriech-Hahnenfuß*Raphanus raphanistrum* agg.
Artengruppe Acker-Rettich< *Raphanus raphanistrum* s.str.
Acker-Rettich*Reseda lutea*
Gelb-Reseda*Rhamnus cathartica*
Gewöhnlicher Kreuzdorn*Rhinanthus alectorolophus*
subsp. *alectorolophus*
Gewöhnl. Zottens-Klappertopf*Rhinanthus minor*
Kleiner Klappertopf*Rhinanthus serotinus* s.str.
Großer Klappertopf*Ribes rubrum* agg.
Artengruppe Rot-Ribisel*Ribes uva-crispa*
Stachelbeere*Robinia pseudacacia*
Gewöhnliche Robinie

Rorippa islandica agg. - Rubus nessensis

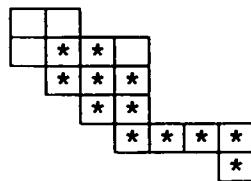

Rorippa islandica agg.
Agr. Gewöhnliche Sumpfkresse

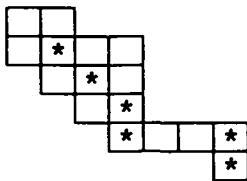

< *Rorippa palustris*
Gewöhnliche Sumpfkresse

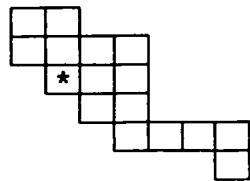

Rorippa sylvestris s.str.
Wilde Sumpfkresse

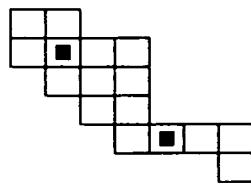

Rosa canina agg.
Artengruppe Hunds-Rose

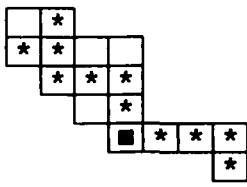

< *Rosa canina s.str.*
Hunds-Rose

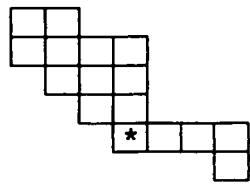

Rosa coriifolia agg.
Artengruppe Lederblatt-Rose

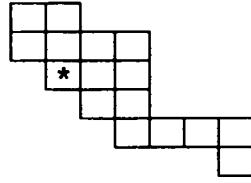

Rosa corymbifera s.str.
Busch-Rose

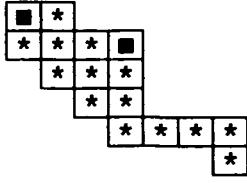

Rosa pendulina
Hängefrucht-Rose

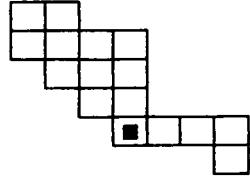

Rosa villosa agg.
Artengruppe Apfel-Rose

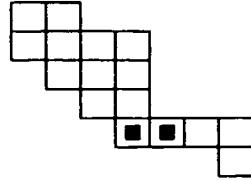

Rubus caesius
Auen-Brombeere

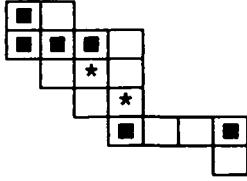

Rubus fruticosus agg.
Artengruppe Brombeere

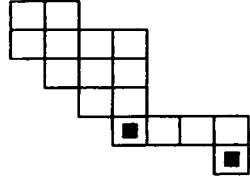

< *Rubus bifrons*
Zweifarben-Brombeere

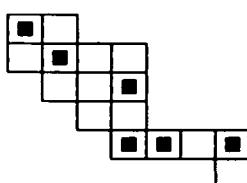

< *Rubus clusii*
Clusius-Brombeere

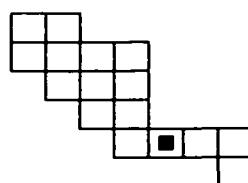

< *Rubus hirtus agg.*
Artengr. Drüs.-Brombeere

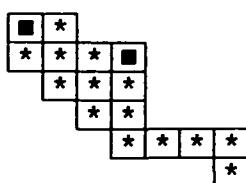

< *Rubus nessensis*
Loch-Ness-Brombeere

Rubus pedemontanus - Salix aurita x caprea

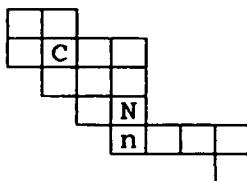

< *Rubus pedemontanus*
Bürgerberg-Brombeere

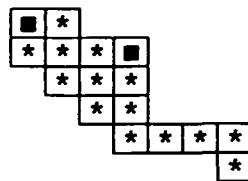

< *Rubus sulcatus*
Furchen-Brombeere

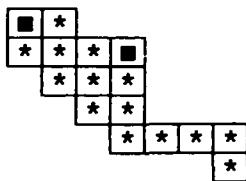

Rubus idaeus
Himbeere

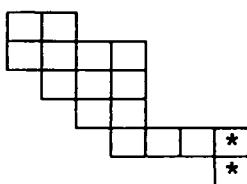

Rudbeckia laciniata
Schlitzblatt-Sonnenhut

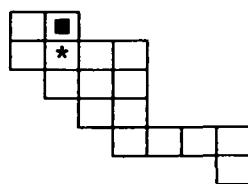

Rumex acetosa
Wiesen-Sauerampfer

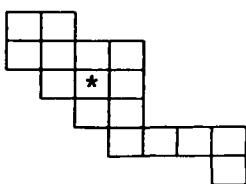

Rumex acetosella s.lat.
Zwerg-Sauerampfer

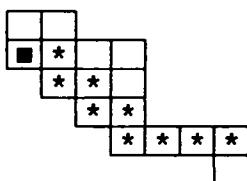

< *Rumex acetosella*
subsp. *acetosella*
Gewöhnl. Zwerg-Sauerampfer

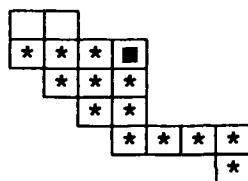

Rumex alpestris
Berg-Sauerampfer

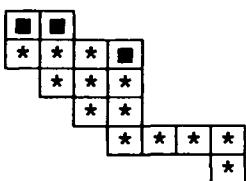

Rumex conglomeratus
Knäuel-Ampfer

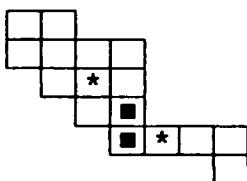

Rumex crispus
Kraus-Ampfer

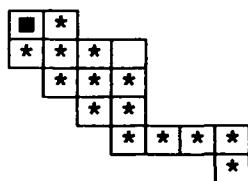

Rumex obtusifolius
Stumpfblatt-Ampfer

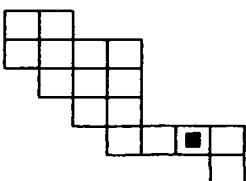

Sagina procumbens
Liegendes Mastkraut

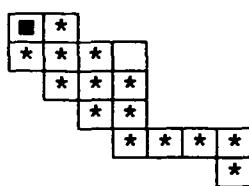

Salix alba
Silber-Weide

Salix aurita
Ohr-Weide

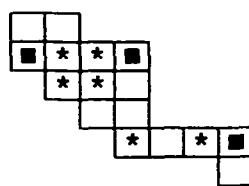

Salix aurita x caprea

Salix caprea - Sanguisorba minor

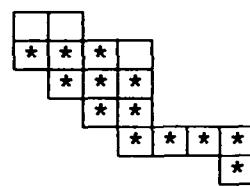

Salix caprea

Sal-Weide

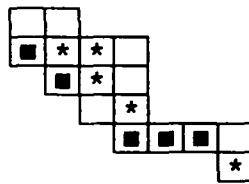

Salix cinerea s.str.

Asch-Weide

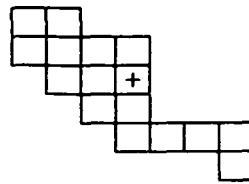

Salix fragilis agg.

Artengruppe Bruch-Weide

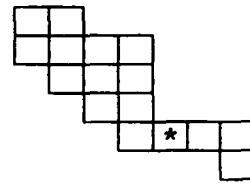

< Salix fragilis s.str.

Bruch-Weide

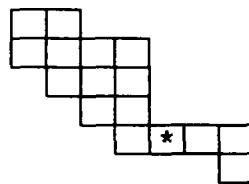

Salix myrsinoides

Heidelbeer-Weide

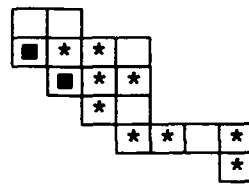

Salix nigricans agg.

Artengruppe Schwarz-Weide

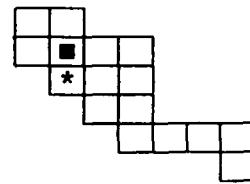

< Salix myrsinifolia

Schwarz-Weide

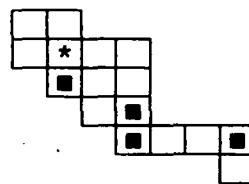

Salix purpurea

Purpur-Weide

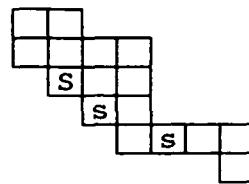

Salix repens
subsp. rosmarinifolia

Rosmarin-Kriech-Weide

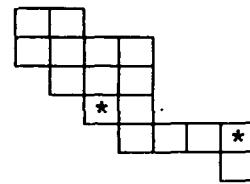

Salix triandra

Mandel-Weide

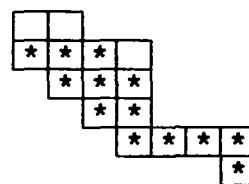

Salix viminalis

Korb-Weide

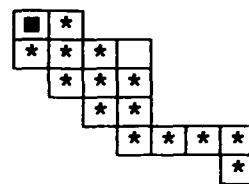

Salvia pratensis

Wiesen-Salbei

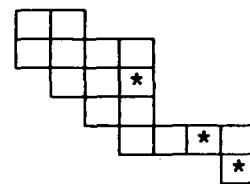

Sambucus nigra

Schwarz-Holunder

Sambucus racemosa

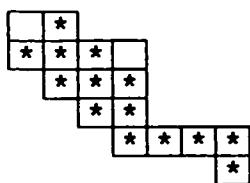

Trauben-Holunder

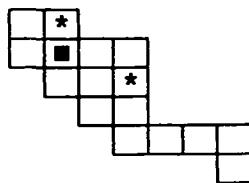

Sanguisorba minor

Kleiner Wiesenknopf

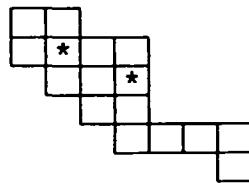

Sanguisorba officinalis - Sedum album

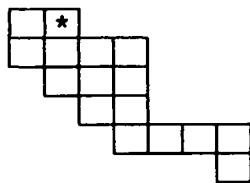

Sanguisorba officinalis
Großer Wiesenknopf

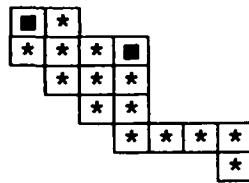

Sanicula europaea
Sanikel

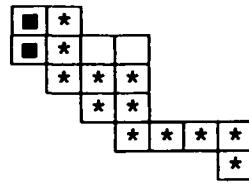

Saxifraga granulata
Knöllchen-Steinbrech

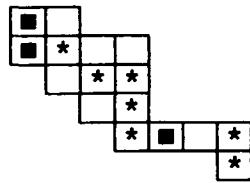

Scheuchzeria palustris
Blasensimse

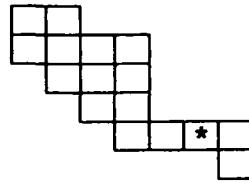

Scirpus sylvaticus
Gewöhnliche Waldbinse

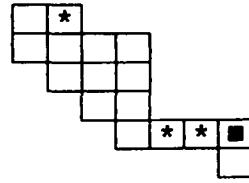

Scleranthus annuus agg.
Artengr. Einjahrs-Knäuelkraut

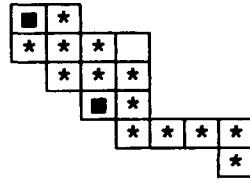

< *Scleranthus annuus* s.str.
Einjahrs-Knäuelkraut

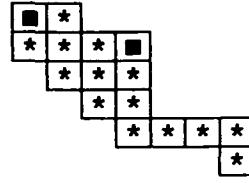

< *Scleranthus polycarpus*
Wildes Knäuelkraut

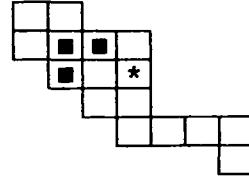

Scleranthus perennis
Ausdauerndes Knäuelkraut

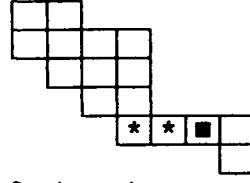

Scorzonera humilis
Niedrige Schwarzwurz

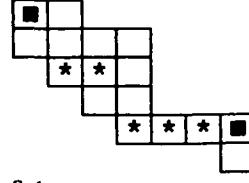

Scrophularia nodosa
Knoten-Braunwurz

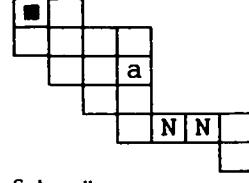

Scutellaria galericulata
Sumpf-Helmkraut

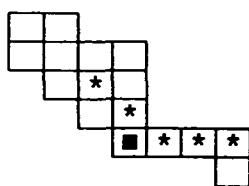

Securigera varia
Buntkronwicke

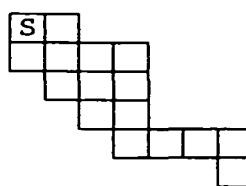

Sedum acre
Scharf-Mauerpfeffer

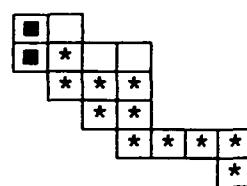

Sedum album
Weiß-Mauerpfeffer

Sedum sexangulare - Senecio ovatus

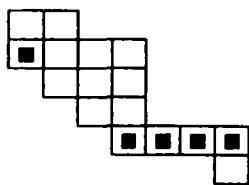

Sedum sexangulare
Mild-Mauerpfeffer

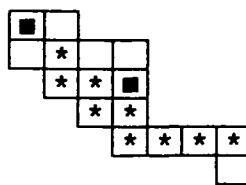

Sedum spurium
Kaukasus-Fetthenne

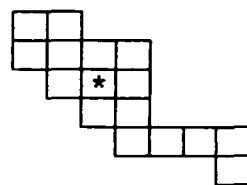

Sedum telephium agg.
Artengruppe Große Fetthenne

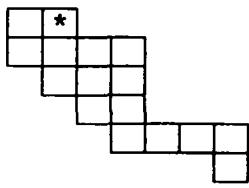

< *Sedum jullianum*

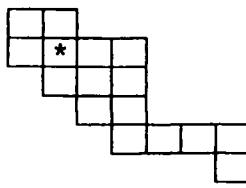

< *Sedum maximum*
Große Fetthenne

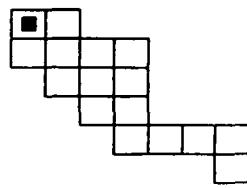

Selaginella helvetica
Schweizer Moosfarn

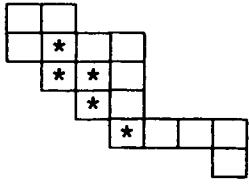

Selaginella selaginoides
Alpen-Moosfarn

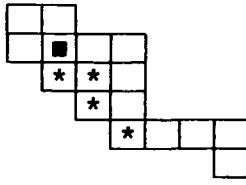

Selenium carvifolia
Silge

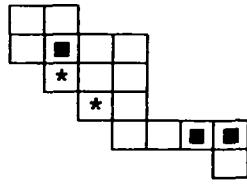

Sempervivum tectorum
Dach-Hauswurz

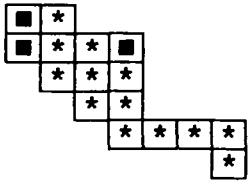

Senecio aquaticus agg.
Artengr. Wasser-Greiskraut

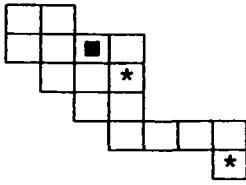

< *Senecio aquaticus s.str.*
Wasser-Greiskraut

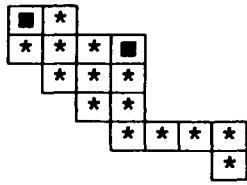

Senecio jacobaea
Jakobs-Greiskraut

Senecio "nemorensis agg."
Artengruppe Hain-Greiskraut

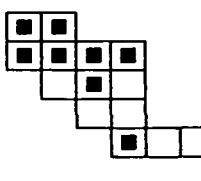

< *Senecio hercynicus*
Hain-Greiskraut

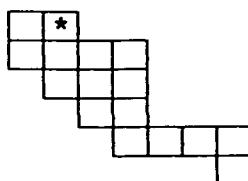

< *Senecio ovatus*
Fuchs-Greiskraut

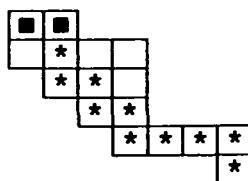

Senecio ovatus x hercynicus - Sisymbrium officinale

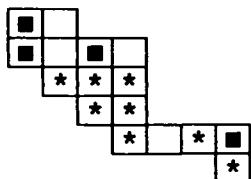

< *Senecio ovatus x hercynicus*

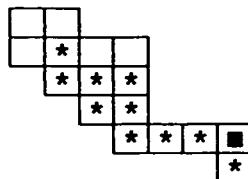

Senecio subalpinus
Berg-Greiskraut

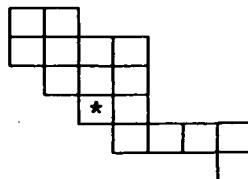

Senecio sylvaticus
Wald-Greiskraut

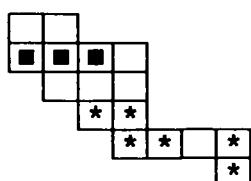

Senecio viscosus
Kleb-Greiskraut

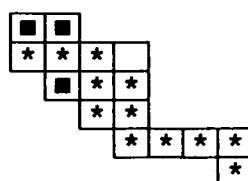

Senecio vulgaris
Gewöhnliches Greiskraut

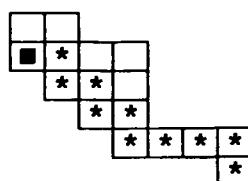

Setaria pumila
Fuchsrote Borstenhirse

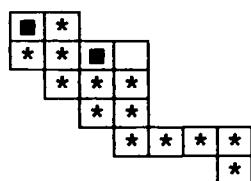

Sherardia arvensis
Ackerröte

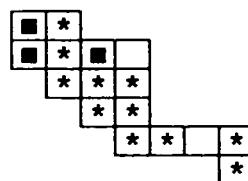

Silene dioica
Rote Lichtnelke

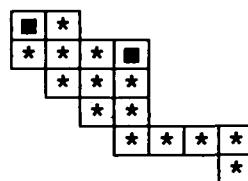

Silene latifolia
Weiße Nachtnelke

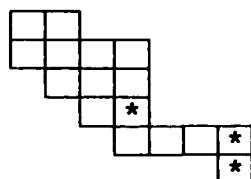

Silene nutans s.lat.
Nickendes Leimkraut

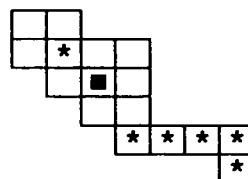

< *Silene nutans*
subsp.*nutans*
Gewöhnl. Nickendes Leimkraut

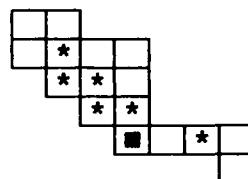

Silene vulgaris
Aufgeblasenes Leimkraut

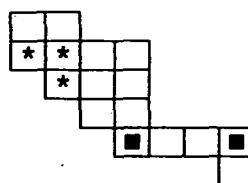

< *Silene vulgaris*
subsp.*vulgaris*
Gewöhnliches Aufgeblasenes L.

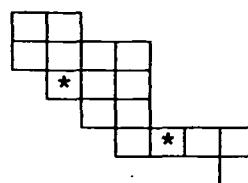

Sinapis arvensis
Acker-Senf

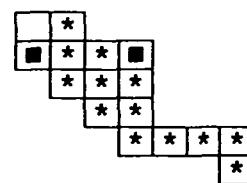

Sisymbrium officinale
Weg-Rauke

Solanum dulcamara - Spergularia rubra

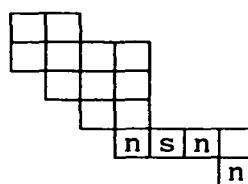

Solanum dulcamara
Bittersüßer Nachtschatten

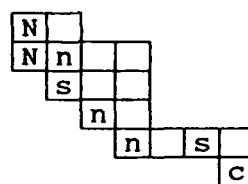

Solanum nigrum
Schwarzer Nachtschatten

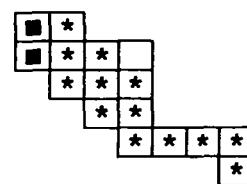

Soldanella montana s.str.
Wald-Soldanelle

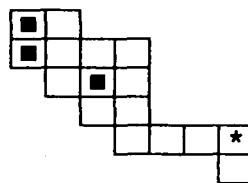

Solidago canadensis
Kanadische Goldrute

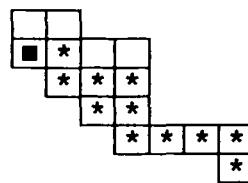

Solidago gigantea
Riesen-Goldrute

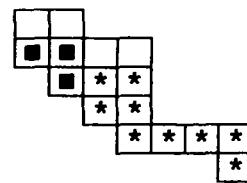

Solidago virgaurea
Echte Goldrute

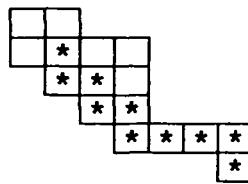

<*Solidago virgaurea*
subsp. *virgaurea*
Gewöhnliche Echte Goldrute

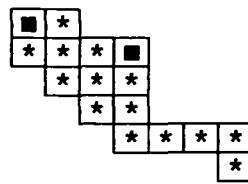

Sonchus arvensis s.str.
Acker-Gänsedistel

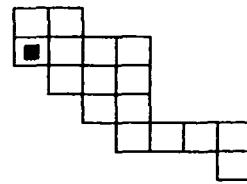

Sonchus asper
Dorn-Gänsedistel

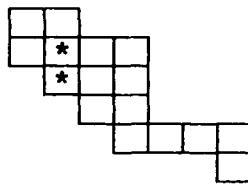

Sonchus oleraceus
Gewöhnliche Gänsedistel

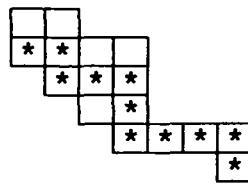

Sorbus aucuparia
Eberesche

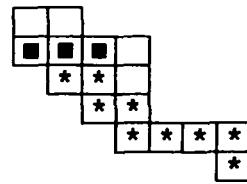

Sparganium emersum
Astloser Igelkolben

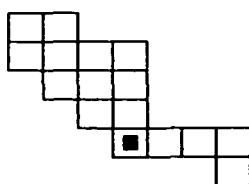

Sparganium erectum
Ästiger Igelkolben

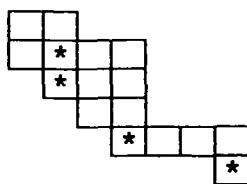

Spergula arvensis
Acker-Spörgel

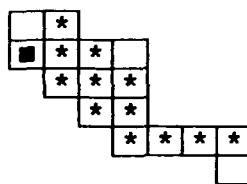

Spergularia rubra
Acker-Schuppenmiere

Spiraea salicifolia - Tanacetum parthenium

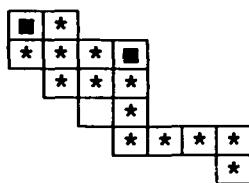

Spiraea salicifolia
Weiden-Spierstrauch

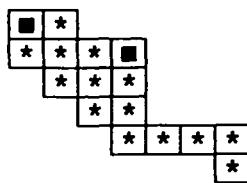

Stachys palustris
Sumpf-Ziest

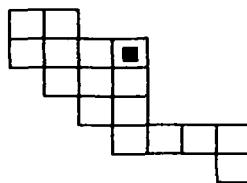

Stachys sylvatica
Wald-Ziest

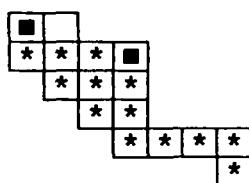

Stellaria alsine
Bach-Sternmiere

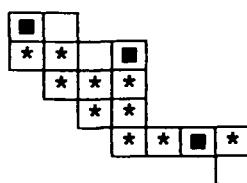

Stellaria graminea
Gras-Sternmiere

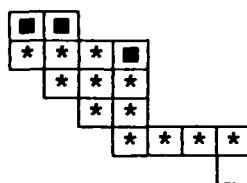

Stellaria longifolia
Langblatt-Sternmiere

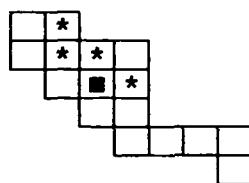

Stellaria media agg.
Artengruppe Vogel-Sternmiere

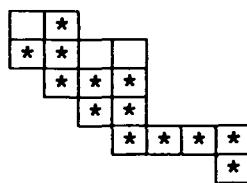

< *Stellaria media* s.str.
Gewöhnliche Vogel-Sternmiere

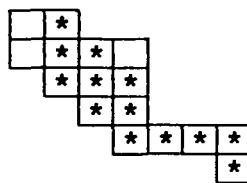

Stellaria nemorum s.str.
Wald-Sternmiere

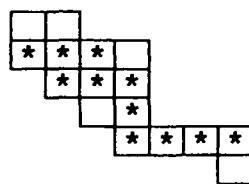

Streptopus amplexifolius
Knotenfuß

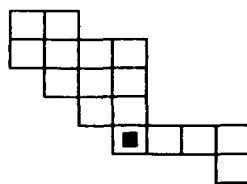

Succisa pratensis
Teufelsabbiß

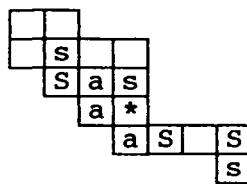

Symphytum officinale s.str.
Echter Beinwell

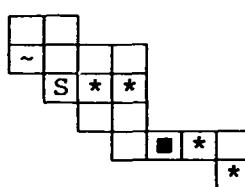

Symphytum tuberosum s.lat.
Knollen-Beinwell

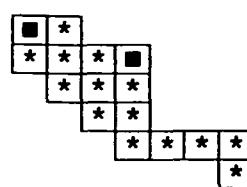

Symphytum x uplandicum

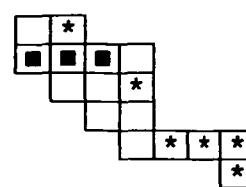

Tanacetum parthenium
Mutterkamille

Tanacetum vulgare - Trichophorum alpinum*Tanacetum vulgare*

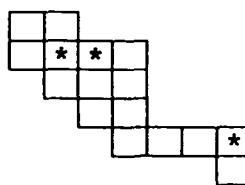

Rainfern

*Taraxacum officinale* agg.

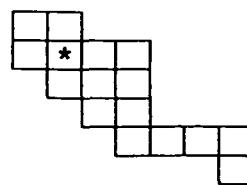

Agr. Gewöhnlicher Löwenzahn

*Tephroseris crispa*

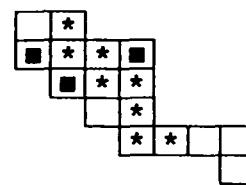

Bach-Aschenkraut

*Tephroseris helenitis*

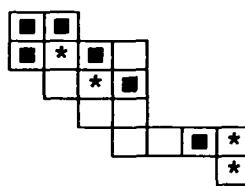

Alant-Aschenkraut

*Teucrium scorodonia*

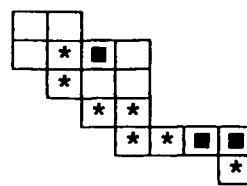

Salbei-Gamander

*Thalictrum aquilegiifolium*

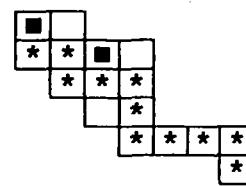

Akelei-Wiesenraute

*Thelypteris limbosperma*

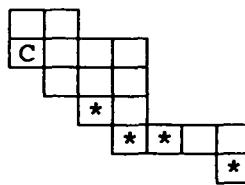

Bergfarn

*Thlaspi arvense*

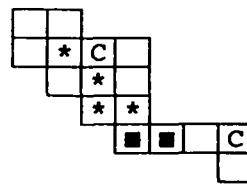

Acker-Täschelkraut

*Thymus pulegioides*

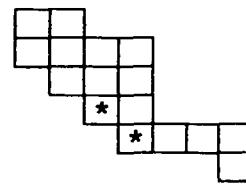

Arznei-Quendel

*Tilia cordata*

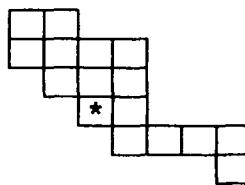

Winter-Linde

*Tilia platyphyllos*

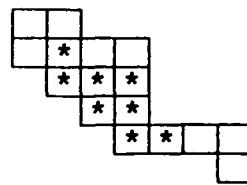

Sommer-Linde

*Torilis japonica* agg.

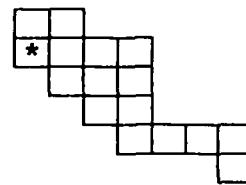

Artengr. Wald-Borstendolde

< *Torilis japonica* s.str.

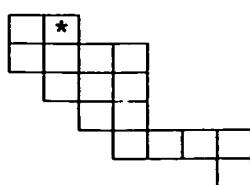

Wald-Borstendolde

*Tragopogon orientalis*

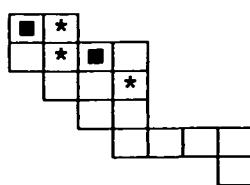

Östlicher Wiesen-Bocksbart

*Trichophorum alpinum*

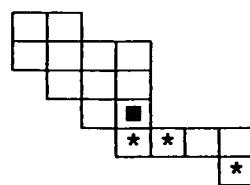

Alpen-Haarbinse

Trichophorum cespitosum - Trifolium spadiceum**Trichophorum cespitosum**

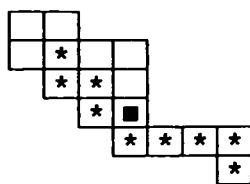

Rasen-Haarbinse

**Trientalis europaea**

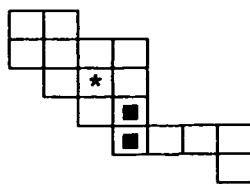

Siebenstern

**Trifolium arvense**

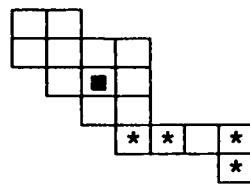

Hasen-Klee

**Trifolium aureum**

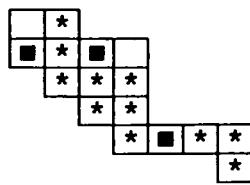

Gold-Klee

**Trifolium campestre**

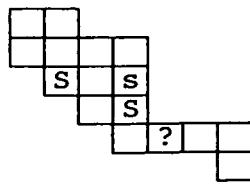

Feld-Klee

**Trifolium dubium s.str.**

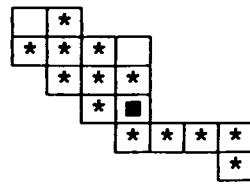

Faden-Klee

**Trifolium hybridum**

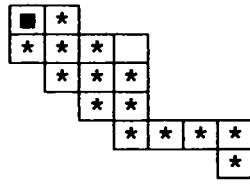

Schweden-Klee

**Trifolium incarnatum**

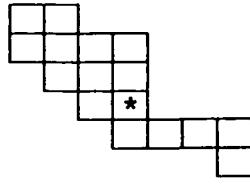

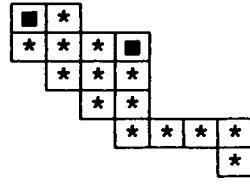

Inkarnat-Klee

**Trifolium medium**

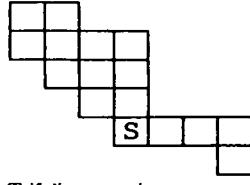

Zickzack-Klee

**Trifolium pratense**

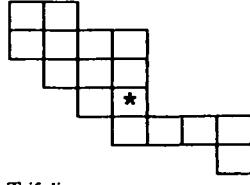

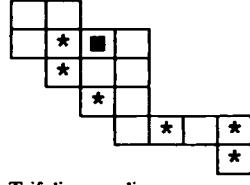

Rot-Klee

< **Trifolium pratense**
subsp. **pratense**
Gewöhnlicher Wiesen-Klee**Trifolium repens**

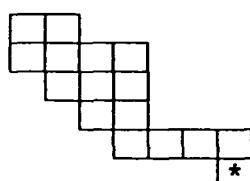

Kriech-Klee

**Trifolium resupinatum s.str.**

Persischer Klee

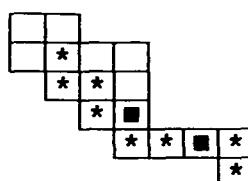

< **Trifolium repens**
subsp. **repens**
Kriech-Klee**Trifolium spadiceum**

Moor-Klee

Triglochin palustre - Vaccinium oxyccocos s.str.

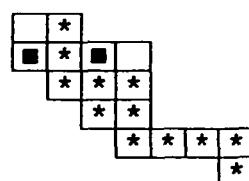

Triglochin palustre

Sumpf-Dreizack

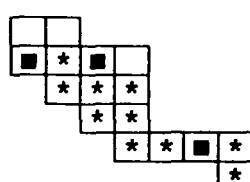

Tripleurospermum inodorum

Geruchlose Ruderalkamille

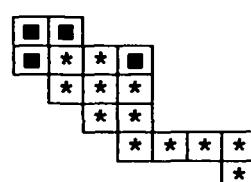

Trisetum flavescens agg.

Artengr. Wiesen-Goldhafer

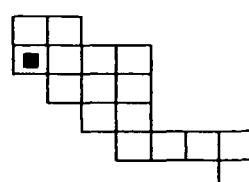

< Trisetum flavescens s.str.

Wiesen-Goldhafer

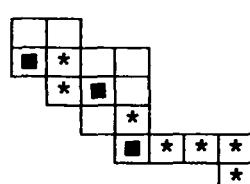

Tussilago farfara

Huflattich

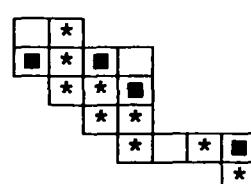

Typha angustifolia

Schmalblatt-Rohrkolben

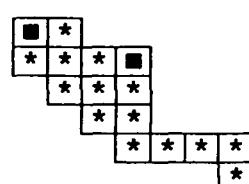

Typha latifolia

Breitblatt-Rohrkolben

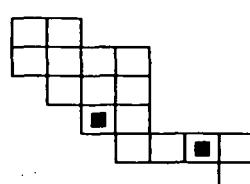

Ulmus glabra

Berg-Ulme

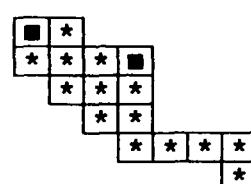

Urtica dioica

Große Brennnessel

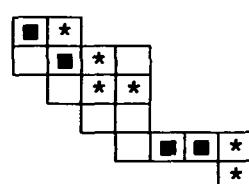

Urtica urens

Kleine Brennnessel

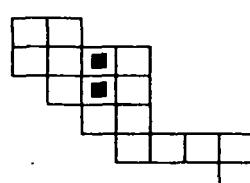

Vaccinium myrtillus

Heidelbeere

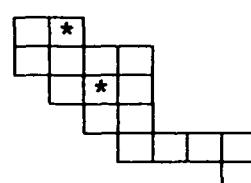

Vaccinium oxyccocos agg.

Artengr. Moor-Preiselbeere

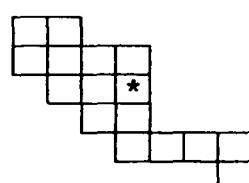

< (Vaccinium hagerrupii)

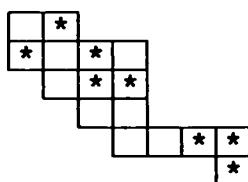

< Vaccinium microcarpum

Kleinfrucht-Moor-Preiselbeere

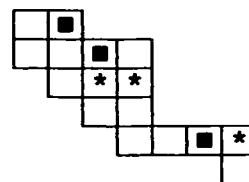

< Vaccinium oxyccocos s.str.

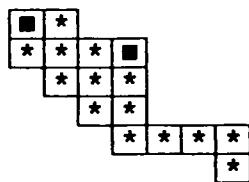

Gewöhnliche Moor-Preiselbeere

Vaccinium uliginosum agg. - Veronica arvensis

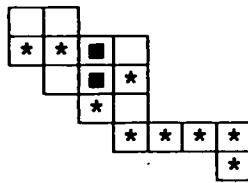

Vaccinium uliginosum agg.
Artengruppe Rauschbeere

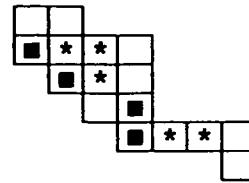

< *Vaccinium uliginosum* s.str.
Moor-Rauschbeere

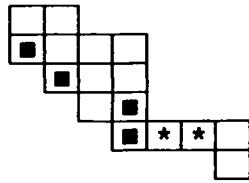

Vaccinium vitis-idaea
Preiselbeere

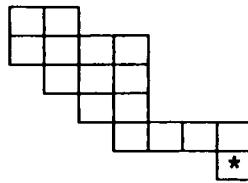

Valeriana dioica s.str.
Sumpf-Baldrian

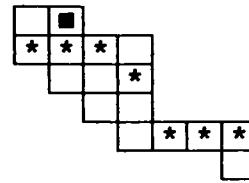

Valeriana officinalis agg.
Artengruppe Arznei-Baldrian

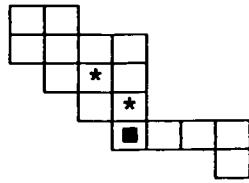

< *Valeriana sambucifolia*
Holunderblatt-Arznei-Baldrian

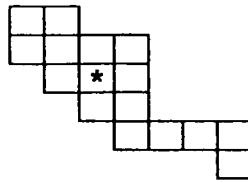

Valerianella dentata
Zähnchen-Feldsalat

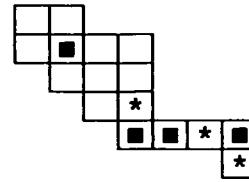

Veratrum album
Weiß-Germer

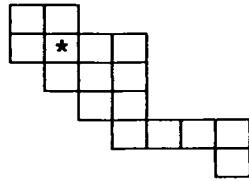

Verbascum densiflorum
Großblütige Königskerze

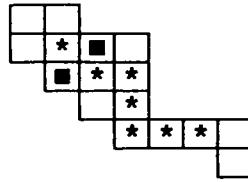

Verbascum lychnitis
Heidefackel-Königskerze

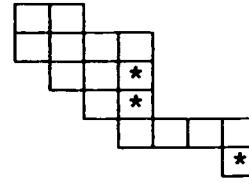

Verbascum nigrum
Dunkle Königskerze

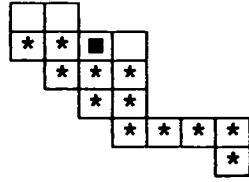

Verbascum phlomoides
Gewöhnliche Königskerze

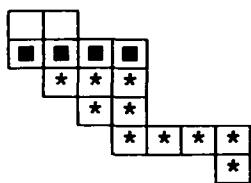

Verbascum thapsus s.str.
Kleinblütige Königskerze

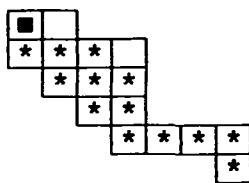

Veronica agrestis
Acker-Ehrenpreis

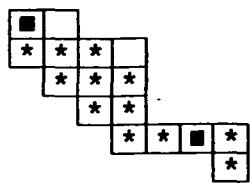

Veronica arvensis
Feld-Ehrenpreis

Veronica beccabunga - Vicia hirsuta*Veronica beccabunga*

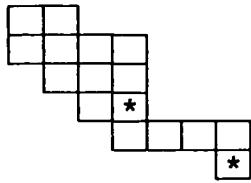

Bachbunge

*Veronica chamaedrys agg.*

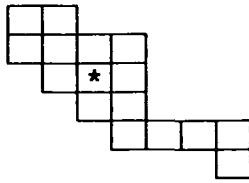

Agr. Gamander-Ehrenpreis

< *Veronica chamaedrys* s.str.

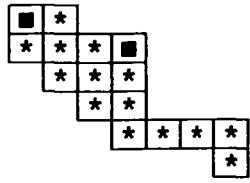

Gamander-Ehrenpreis

< *Veronica chamaedrys*
subsp. *chamaedrys*

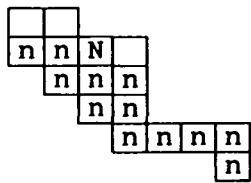

Eigentl. Gamander-Ehrenpreis

*Veronica montana*

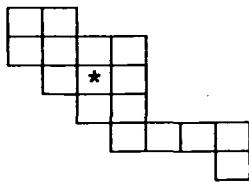

Berg-Ehrenpreis

*Veronica officinalis*

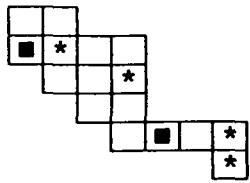

Echter Ehrenpreis

*Veronica persica*

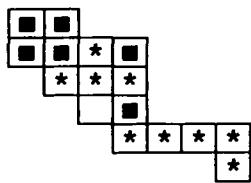

Persischer Ehrenpreis

*Veronica polita*

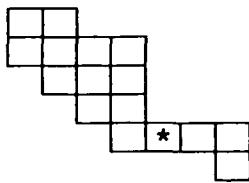

Glanz-Ehrenpreis

*Veronica scutellata*

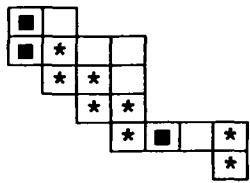

Schild-Ehrenpreis

*Veronica serpyllifolia*

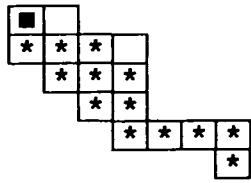

Quendel-Ehrenpreis

*Veronica triphyllos*

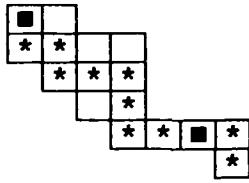

Finger-Ehrenpreis

*Viburnum opulus*

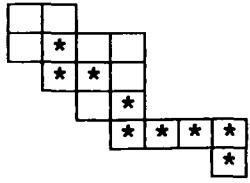

Gewöhnlicher Schneeball

*Vicia cracca* agg.

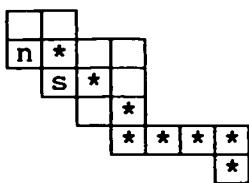

Artengruppe Vogel-Wicke

< *Vicia cracca* s.str.

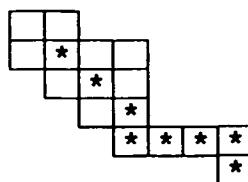

Vogel-Wicke

*Vicia hirsuta*

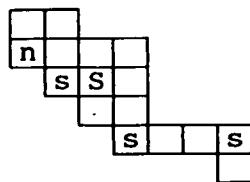

Behaarte Wicke

Vicia sativa agg. - Viola tricolor agg.

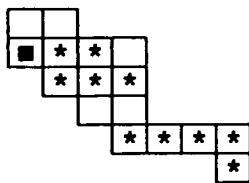

Vicia sativa agg.
Artengruppe Saat-Wicke

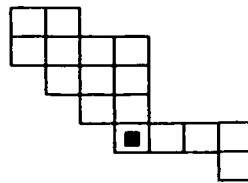

< *Vicia angustifolia*
Schmalblatt-Wicke

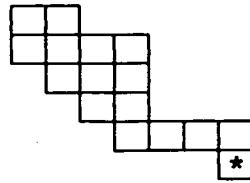

< *Vicia sativa* s.str.
Saat-Wicke

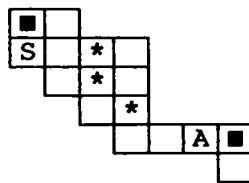

Vicia sepium
Zaun-Wicke

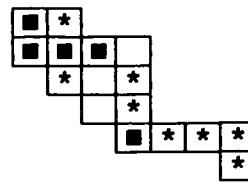

Vicia tetrasperma s.str.
Viersamen-Wicke

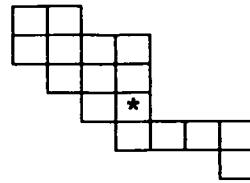

Vicia villosa
Sand-Wicke

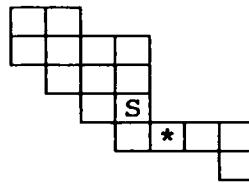

Vinca minor
Kleines Immergrün

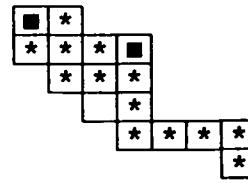

Viola canina
Hunds-Veilchen

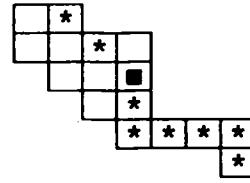

< *Viola canina*
subsp. *canina*
Gewöhnliches Hunds-Veilchen

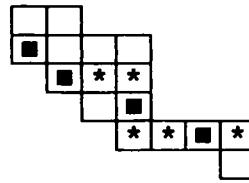

Viola odorata
Duft-Veilchen

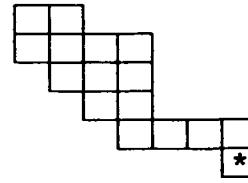

Viola palustris
Sumpf-Veilchen

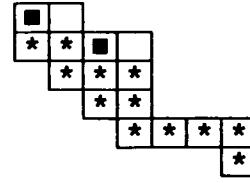

Viola reichenbachiana
Wald-Veilchen

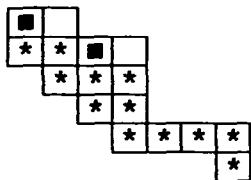

Viola riviniana
Hain-Veilchen

Viola suavis
Hecken-Veilchen

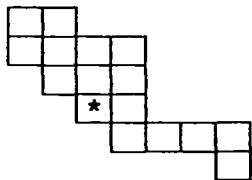

Viola tricolor agg.
Artngr. Wild-Stiefmütterchen

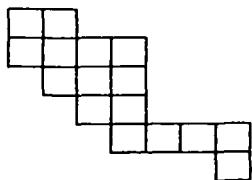

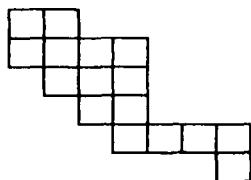

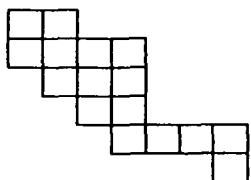

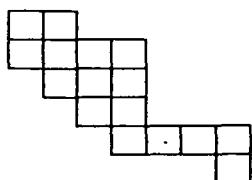

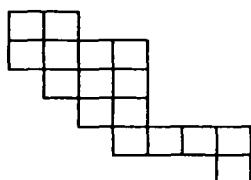

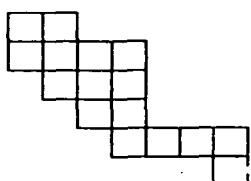

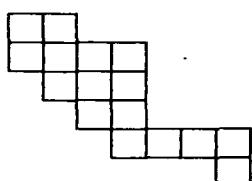

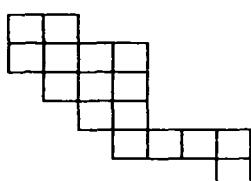

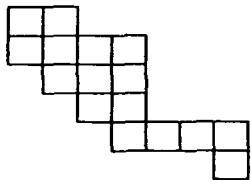

< *Viola arvensis*

Acker-Stiefmütterchen

< *Viola tricolor* s.str.

Wild-Stiefmütterchen
