Personalmnachrichten.

Dr. **Fritz Müller** zu Blumenau in Brasilien, welcher bis vor Kurzem die Stellung eines naturalista viajante des Museums zu Rio de Janeiro bekleidete, ist seines Amtes plötzlich enthoben worden von der brasilianischen Regierung, der Regierung, unter der er beinahe 40 Jahre lang gearbeitet und gewirkt hat mit der Hingabe und den Erfolgen, welche die wissenschaftliche Welt kennt. Im April dieses Jahres wurde Herrn Dr. Müller mitgeteilt, der
