Enthält: Greene, Descriptions of several new hymenopterous Insects from the north-west Coast of America.
- Report of the superintendent of the United States Coast Survey for 1857. Washington 1858.

Berichtigung.

Der Seite 106 von mir neu beschriebene *Rhyparochromus mundulus* muss als synonym zu *R. pedestris* gezogen werden. Durch fehlerhafte Bestimmung hatte ich diesen Namen einer Art beigelegt, der er nicht zukam, und in Folge dessen die obige Art als neu beschrieben.

Anton Dohrn.
