

Die Vogelparasiten.

Von Josef Kolazy.

(Fortsetzung.)

Ardea cinerea, L., grauer Reiher.

Lipeurus leucopygus, Nitzsch.
Colpocephalum importunum, Nitzsch.

Ascaris serpentulus, Rud.
Ascaris Ardeae, Bellingham.
Filaria subspiralis, Diesing.
Echinorhynchus striatus, Goeze.
Distomum complanatum, Rud.
Distomum brachysomum, Creplin.
Distomum bursicola, Creplin.
Distomum beleocephalum, v. Linstow.
Distomum capsulare, Diesing.
Monostomum cornu, Rud.
Holostomum cornu, Nitzsch.
Holostomum variabile, Nitzsch.
Taenia Leuckarti, Krabbe.
Taenia unilateralis, Rud.
Taenia multiformis, Crepl.
Schistocephalus dimorphus, Creplin.

Ardea garzetta, L., kleiner Silberreiher.

Colpocephalum obscurum.
Holostomum cornu, Nitzsch.
Taenia circumcincta, Krabbe.

Ardea purpurea, L., Purpurreiher.

Lipeurus leucoproctus, Nitzsch.

Ascaris microcephala, Rud.
Filaria attenuata, Rud.
Filaria alata, Rud.
Echinorhynchus macrourus, Brems.
Distomum heterostomum, Rud.
Distomum capsulare, Diesing.
Holostomum cornu, Nitzsch.
Taenia multiformis, Creplin.
Taenia cheilancristata, Wedl.
Taenia papilla, Wedl.

Ardea stellaris, L., Rohrdommel.

Docophorus ovatus.
Nirmus tessellatus, Denny.
Lipeurus stellaris, Denny.
Laemobothrium gilvum, Burm.

Ascaris microcephala, Rud.
Dispharagus brevicaudatus, Duj.
Echinorhynchus striatus, Goeze.
Distomum ferox, Zed.
Holostomum longicollis, Duj.
Holostomum cornu, Nitzsch.
Taenia brevirostris, Diesing.

Ardea minuta, L., Zwerg-Rohrdommel.

Echinorhynchus spiralis, Rud.
Distomum spatulatum, Rud.
Distomum cladocalium, Diesing.

Nycticorax griseus, Strickl., Nachtreiher.

Colpocephalum importunum, Nitzsch.
Colpocephalum trochioxum, Nitzsch.

Ascaris microcephala, Rud.
Ascaris serpentulus, Rud.

Filaria alata, Rud.

Tropidocerca gynaeophila, Molin.
Echinorhynchus striatus, Goeze.
Distomum echinatum, Zed.
Distomum capsulare, Dies.
Diplostomum auriflaxum, Molin.
Monostomum cornu, Rud.
Holostomum cornu, Nitzsch.
Taenia multiformis, Creplin.
Taenia macrocephala, Wedl.
Ligula menogramma, Creplin.
Tetropothrium porrigens, Molin.

Ciconia alba, L., weisser Storch.

Docophorus incompletus, Nitzsch.
Lipeurus versicolor, Nitzsch.
Colpocephalum quadripustulatum, Nitzsch.
Colpocephalum zebra, Nitzsch.

Ascaris Ciconiae albae, Wedl.
Ascaris microcephala, Rud.
Filaria Ciconiae, Schrank.
Filaria Gruis, v. Linstow.
Echinorhynchus macrourus, Brems.
Distomum hians, Rud.
Distomum ferox, Zed.
Distomum pictum, Creplin.
Holostomum cornu, Nitzsch.
Hemistomum excavatum, Diesing.
Taenia multiformis, Creplin.

Ciconia nigra, L., schwarzer Storch.

Docophorus tricolor, Nitzsch.
Lipeurus maculatus, Nitzsch.

Ascaris microcephala, Rud.
Filaria labiata, Creplin.
Filaria alata, Rud.
Filaria Ardeae nigrae, Rud.
Tropidocerca inflata, Dies.
Syngamus trachealis, Dies.
Distomum ferox, Zed.
Distomum echinatum, Zed.
Distomum hians, Rud.
Hemistomum excavatum, Diesing.
Schistocephalus dimorphus, Creplin.

Ibis falcinellus, Temm., Ibis.

Docophorus bisignatus, Nitzsch.
Lipeurus raphidius, Nitzsch.

Dispharagus confortus, Molin.
Filaria quadrispinia, Molin.
Histrichis orispinus, Molin.
Trichosoma spirale, Molin.
Distomum bilobum, Rud.
Distomum singulare, Molin.
Taenia microcephala, Rud.
Taenia ureus, Wedl.

Platalea leucorodia, L., Löffler.

Docophorus spheonophorus, Nitzsch.
Lipeurus Platalearum.
Distomum bilobum, Rud.
Taenia ureus, Wedl.
