Nomenklaturbericht.

Unter dieser Rubrik werden in Zukunft regelmäßig Hinweise auf Anträge an die International Commission on Zoological Nomenclature sowie Entscheidungen (opinions und directions) der Kommission, soweit sie Mollusken betreffen, veröffentlicht. Wir folgen damit einer Bitte der Kommission, deren Sekretariat seit einiger Zeit den malakologischen Periodika Übersichten über die im Bulletin of Zoological Nomenclature publizierten Fälle zuschickt, um einen möglichst großen Kreis von Fachkollegen zu erreichen und ihnen Gelegenheit zu geben, Stellungnahmen zu einzelnen Fällen an die Kommission zu richten (International Commission on Zoological Nomenclature, c/o British Museum (Natural History), Cromwell Road, London, SW7 5BD, England).
