Correction note

on INGRISCH, S. & SHISHODIA, M.S.:

New taxa and distribution records of Tettigoniidae from India.

S. INGRISCH

On page 22 of the publication by INGRISCH, S. & SHISHODIA (2000, Mitt. Münch. Ent. Ges. 90, 5-37.), the localities for *Alloteratura (Indoteratura) erecta* are erroneously mentioned as lying in Arunachal Pradesh (Northeast India). The localities "Sri Sailam, Prakasan" and "Mannanur, Mehbagnagar" are in Andhra Pradesh (South India), however. The mistake was due to a misinterpretation of the abbreviated information on the locality labels.
