COMMUNICATION

INTERNATIONAL CONGRESS „FUTURE OF BUTTERFLIES IN EUROPE : STRATEGIES FOR SURVIVAL“
Wageningen, The Netherlands, April 1989.

An international congress on the conservation of butterflies in Europe will be held in Wageningen, The Netherlands, from 12 to 15 April 1989.

The meeting will review the current knowledge on butterflies in order to set up a working programme for their conservation in Europe.

The planned themes are : The status of butterflies in Europe ; Mapping ; Population dynamics ; Isolation ; Monitoring ; Management policy ; Perspectives in conservation.

The congress is being organized by the Department of Nature Conservation of the Wageningen Agricultural University, in cooperation with the Dutch Butterfly Foundation and the Netherlands Entomological Society.

Requests for further details should be directed to the Congress Building, International Agricultural Centre, P.O. Box 88, 6700 AB Wageningen, The Netherlands.
