## Reviewer acknowledgement

The quality of any scientific publication critically depends on the screening of incoming manuscripts. For this goal, experts outside the Editorial Board of *Nota lepidopterologica* are frequently asked to provide constructive criticism. We herewith express our sincere gratitude to all those who have devoted a share of their precious time to serve SEL in this way.

The following colleagues (in alphabetical order) assisted with manuscript reviews for completing volume 24 of *Nota lepidopterologica*:

Martin Corley, Gerfried Deschka, Sven-Ingo Erlacher, Helen Ghiradella, Cees Gielis, Philippe Goffart, Hermann Hacker, Axel Hausmann, Hans-Joachim Hannemann, John B. Heppner, Ronald W. Hodges, Lauri Kaila, Axel Kallies, Niels P. Kristensen, Gerardo Lamas, Miguel L. Munguira, Wolfgang A. Nässig, Gabriel Nève, Janusz Nowacki, Elisenda Olivella, Linda Pitkin, Willi Sauter, Klaus G. Schurian, Andreas Segerer, Joseph Settele, Michael Shaffer, Peder Skou, Chris D. Thomas, Pasquale Trematerra, Paolo Triberti, Robert Trusch, Niklas Wahlberg, Martin S. Warren, Irma Wynhoff, Alberto Zilli.
