

Short Communication -
The Major of Vienna receives Quadrifina

On January 25th, 1999 the Major of Vienna, Dr. Michael Häupl, received a sample of Quadrifina volume 1. Dr. Michael Häupl was member of the staff of the Museum of Natural History in Vienna for many years and was honoured by the dedication of the new *Rhynchina michaelhaeupli* LÖDL & GAAL, 1998 (illustration of the frontispiece). According to the celebration of the 250th anniversary of the foundation of our collections this new species was described in volume 1 of Quadrifina. The snap-shot shows from left to right: Dr. Martin Lödl (editor of Quadrifina), Dr. Michael Häupl and Dr. Sabine Gaal (vice-editor) in the office of the Major of Vienna.
