All rights reserved.

Printed in Germany.

Printed by H. Laupp jr, Tübingen.

Vol. 5.

Index of Plates.

The numbers indicate the plates.

On each plate, for want of space, only the first and last of the genera represented on the plate are stated, for instance on pl. 117 only „Hypna-Anaëa“, whilst it also contains figures of species of the genus *Protonotus* enumerated in the index of plates, as stated in the text-volume on p. 579/80.
