

The Taxonomic Report
is a publication of
The International Lepidoptera Survey (TILS)

The International Lepidoptera Survey is registered as a non-profit Limited Liability Company (LLC) in the state of Virginia, U.S.A. The Taxonomic Report (TTR) is published for the purpose of providing a public and permanent scientific record. Contents are peer-reviewed but not necessarily through the anonymous review and comment process preferred by some publishers of serial literature. It appears in digital, open-access form, is regularly disseminated in hardcopy form to select institutional repositories and is also available as printed copy upon request at the discretion of authors and/or the editor. Printing and postage costs may apply. An initial run of 25 copies is printed on paper to meet ICZN recommendation 8B. Copies of all TTR papers are available at the archival TTR website: (<http://lepsurvey.carolinanature.com/report.html>) and via the following digital repositories:

Internet Archive (<https://archive.org/>)

Biodiversity Heritage Library (<https://www.biodiversitylibrary.org>)

Zobodat (<https://www.zobodat.at/>)

TILS Purpose

TILS is devoted to the worldwide study of Lepidoptera for the purpose of scientific discovery, determination, and documentation, without which there can be no preservation.

TILS Motto

“As a world community, we cannot protect that which we do not know”
