

Nachtrag für 1867.

Aus Iglau

hat Herr Professor Jaksch noch folgende Aufzeichnungen mitgetheilt.

I. Pflanzenreich.

1. Bäume und strauchartige Gewächse.

a) Laubentfaltung.

Acer platanoides 28.4, *A. Pseudoplatanus* 30.4, *Populus nigra* 14.5, *P. italica* 9.5, *Prunus Padus* 24.4, *Pyrus Malus* 1.5, *Quercus pedunculata* 10.5, *Rhamnus Frangula* 11.5, *Sambucus nigra* 25.4, *Staphylea pinnata* 29.4.

b) Blüthe.

Genista tinctoria 26.6, *Juniperus communis* 17.5, *Lonicera nigra* 25.5, *L. Caprifolium* 2.6, *Lycium barbarum* 27.5, *Populus italica* 30.4, *Prunus Avium* 7.5, *Ribes rubrum* 3.5, *Rosa Centifolia* 14.6, *Salix fragilis* 8.5, *Sambucus racemosa* 10.5, *Spiraea salicifolia* 17.6.

2. Kräuter.

Blüthe.

Acorus Calamus 1.7, *Actaea spicata* 17.5, *Adoxa moschatellina* 27.4, *Aegopodium Podagrariae* 7.6, *Aethusa Cynapium* 10.7, *Agrostemma Githago* 16.6, *Alisma Plantago* 15.7, *Alopecurus pratensis* 18.5, *Anethum graveolens* 11.7, *Arrhenaterum avenaceum* 4.6, *Acquilegia vulgaris* 1.6, *Artemisia vulgaris* 4.8, *Arietum Lappa* 17.7, *Asarum europaeum* 27.4, *Asperula odorata* 15.5, *Astragalus glycyphyllos* 24.6, *Ballota nigra* 11.7, *Barbara vulgaris* 11.5, *Brassica Napus* 12.5, *Bryonia alba* 14.6, *Butomus umbellatus* 29.6, *Caltha palustris* 24.4, *Camelina sativa* 20.6, *Campanula patula* 30.5, *C. persicifolia* 26.6, *Cardamine amara* 11.5, *C. pratensis* 15.4, *Carum Carvi* 16.5, *Centaurea Cyanus* 3.6, *C. Jacea* 20.7, *Cerastium arvense* 11.5, *Chelidonium majus* 14.5, *Chenopodium album* 22.6, *Chrysosplenium alternifolium* 18.4, *Cirsium arvense* 14.7, *C. lanceolatum* 24.7, *C. palustre* 16.6, *Coronilla varia* 20.6, *Corydalis cava* 24.4, *Delphinium Consolida* 6.7, *Dianthus deltoides* 24.6, *Digitalis ochroleuca* 10.7, *Draba verna* 12.4, *Echium vulgare* 6.6, *Euphorbia Helioscopia* 21.6, *Euphrasia officinalis* 10.7, *E. Odontitis* 9.7, *Farsetia incana* 2.6, *Fumaria officinalis* 25.5, *Gagea lutea* 19.4, *Galeopsis Tetrarit* 22.6, *Galium Aparine* 3.6, *G. Mollugo* 30.6, *G. silvestre* 4.6, *Geranium pratense* 11.6, *Geum urbanum* 7.6, *Gnaphalium dioicum* 10.5, *Helianthemum vulgare* 9.6, *Hesperis matronalis* 14.5, *Heracleum Sphondylium* 11.7, *Hieracium murorum* 7.6, *H. Pilosella* 3.6, *Hyoscyamus niger* 1.6, *Hippochaeris radicata* 10.6, *Jasione montana* 30.6, *Knautia arvensis* 2.6, *Lamium purpureum* 14.4, *Lathraea squamaria* 30.4, *Lapsana vulgaris* 1.7, *Lathyrus pratensis* 16.6, *Leontodon hastilis* 3.6, *Lilium Martagon* 19.6, *Linum catharticum* 9.6, *Lotus corniculatus* 4.6, *Luzula pilosa* 21.4, *Lychuis Flos Cuculi* 29.5, *L. Viscaria*

26.5, *Lycopsis arvensis* 10.6, *Lysimachia nemorum* 21.6, *L. vulgaris* 14.7, *Lythrum Salicaria* 13.7, *Malva rotundifolia* 27.6, *Matricaria Chamomilla* 15.6, *Mercurialis perennis* 26.4, *Myosotis palustris* 3.5, *Narcissus poeticus* 9.5, *Nasturtium Armoracia* 27.5, *Neottia Nidus Avis* 2.6, *Nymphaea alba* 13.6, *Orchis latifolia* 12.5, *O. morio* 12.5, *Oxalis Acetosella* 27.4, *Paeonia officinalis* 4.6, *Papaver Argemone* 5.6, *Paris quadrifolia* 22.5, *Pastinaca sativa* 29.6, *Pedicularis palustris* 15.5, *Phyteuma spicatum* 1.6, *Pimpinella Saxifraga* 22.6, *Plantago lanceolata* 21.5, *P. major* 31.5, *P. media* 6.6, *Platanthera bifolia* 15.6, *Polemonium caeruleum* 23.6, *Polygala vulgaris* 16.5, *Potentilla verna* 21.4, *Poterium Sanguisorba* 8.6, *Prunella vulgaris* 20.6, *Pulmonaria officinosis* 15.4, *Pyrola minor* 28.6, *P. chlorantha* 23.6, *Ranunculus acris* 13.5, *R. repens* 22.5, *Raphanus raphanistrum* 6.6, *Rhinanthus Alectorolophus* 9.6, *R. minor* 30.5, *Rumex Acetosella* 2.6, *R. acetosa* 29.5, *Sanguisorba officinalis* 18.7, *Sanicula europaea* 19.6, *Saxifraga granulata* 15.5, *Scirpus silvaticus* 3.6, *Scrophularia nodosa* 3.6, *Scutellaria galericulata* 30.6, *Sedum acre* 13.6, *S. album* 26.6, *Senecio Jacobaea* 13.7, *Sherardia arvensis* 5.7, *Silene nutans* 8.6, *Sinapis arvensis* 5.6, *Sisymbrium Sophia* 2.6, *Sonchus arvensis* 8.7, *Spiraea Ulmaria* 29.6, *Stachys palustris* 4.7, *Tanacetum vulgare* 5.8, *Thymus Serpyllum* 27.6, *Torilis Anthriscus* 9.7, *Trifolium montanum* 2.6, *T. repens* 22.5, *T. spadiceum* 1.6, *Tulipa Gesneriana* 14.5, *Turritis glabra* 2.6, *Tussilago Farfara* 20.4, *Urtica dioica* 18.6, *U. urens* 3.6, *Valeriana dioica* 12.5, *V. officinalis* 9.6, *Verbascum nigrum* 24.6, *V. Thapsus* 4.7, *Veronica Chamaedrys* 14.5, *V. Beccabunga* 29.5, *Vicia Cracca* 15.6, *V. sepium* 29.5, *Viola hirta* 1.5, *V. silvestris* 2.5.

II. Thierreich.

Erstes Erscheinen.

Aves.

Fringilla coelebs 16.3, *F. serinus* 18.4.

Insecta.

Acidalia brumalis 29.10, *Adimonia Taraxaci* 18.6, *Apis mellifica* 19.4, *Aporia Crataegi* 15.6, *Argynnis Aglaja* 29.6, *Aromia moschata* 30.6, *Bibio hortul.* 10.5, *Bombus terrestris* 19.4, *Byrrhus pillula* 11.5, *Calopteryx virgo* 31.5, *Cantharis fusca* 19.5, *Cetonia aurata* 2.6, *Chrysis ignita* 31.5, *Cicindella campestris* 23.3, *Cimbex variabilis* 29.5, *Colias Rhamni* 28.4, *C. Hyale* 2.6, *Cossus ligniperda* 14.7, *Cryptocephalus sericeus* 20.6, *Cucullia umbratica* 10.7, *Endromis versicolor* 28.4, *Euprepia laja* 7.7, *Feronia metallica* 8.5, *Gastrophysa Polygoni* 6.6, *Geotrupes vernalis* 12.4, *Gomphus vulgatissimus* 21.5, *Hesperia malvaum* 26.5, *Hylotius Pini* 2.6, *Ichneumon nigritarius* 30.5, *Lacon murinus* 9.5, *Laphria flava* 21.6, *Lina Populi* 12.5, *Liparis Monacha* 9.8, *L. Salicis* 26.6, *Lytta vesicatoria* 13.6, *Macroglossa fuciformis* 5.6, *M. stellata* 20.5, *Malachius aeneus* 5.6, *Melolontha vulgaris* 9.5, *Musca vomitoria* 26.3, *Necrophorus vespertinus* 9.6, *Otiorrhynchus Ligustici* 12.5, *Papilio Machaon* 19.5, *P. Podaliris* 3.6, *Pimpla manifestator* 2.6, *Phyllopertha horticola* 3.6, *Pompilius viaticus* 6.5, *Pontia Brassicae* 9.5, *P. Cardamines* 12.5, *Pygaera bucephala* 22.6, *Sargus cuprarius* 15.6, *Sesia apiformis* 6.7, *Sirex Gigas* 24.6, *Sphinx ocellata* 8.6, *S. pinastri* 10.6, *S. porcellio* 15.6, *Trichodes apiarius* 19.6, *Vanessa Antiope* 19.4, *V. Atalanta* 11.5, *V. Cardui* a 2.6, b 28.7, *V. polychloros* 18.4, *Vespa Crabro* 17.6, *Zerene Grossulariata* 25.7.
