Corrigenda

The title now reads: “Phylogenetic relationships of catshark species of the genus *Scyliorhinus* (Chondrichthyes, Carcharhiniformes, Scyliorhinidae) based on comparative morphology”, instead of the less appropriate singular “relationship”.

In addition, Figure 28 is replaced, because the photograph in Figure 28B had been confused and does not correspond to the specimen referred to in the caption (*Holohalaelurus regani*, SAIAB 25717, 610 mm TL).
