

Recent Plecoptera Literature

This section includes the Plecoptera papers published since *Perla* 3 was mailed two years ago. In the future the plan is to publish *Perla* every two years and include a literature section in every issue.

Please help us to make this section as complete and correct as possible by sending us copies of your publications and/or notes on errors found.

- AHSAN, M. (1974). Aquatic fauna of Swat Valley, Pakistan; Part II. A preliminary report on freshwater insects. *Biologia (Lahore)*. 20: 173-178. (In English).
- ALINOV, A. F. & N. V. SHADRIN. (1977). Chloric content of some representatives of freshwater benthos. *Hydrobiol. Zh.* 13: 80-86. (Russ. with Engl. summ.).
