

**XI<sup>TH</sup> INTERNATIONAL STONEFLY SYMPOSIUM  
AND  
VII<sup>TH</sup> INTERNATIONAL MAYFLY CONFERENCE  
August 1992**

The meetings of the Plecoptera and Ephemeroptera specialists have been coordinated so that it is possible for interested colleagues to attend both meetings and have time between to collect and/or visit colleagues in North America.

**VII<sup>TH</sup> INTERNATIONAL EPHEMEROPTERA CONFERENCE**

August 3-6, 1992  
University of Maine  
Orono, Maine, U.S.A.

For further information, please contact:

Dr. K. Elizabeth Gibbs  
University of Maine  
Orono, Maine 04469  
USA

**XI<sup>TH</sup> INTERNATIONAL STONEFLY SYMPOSIUM**

August 17-20, 1992  
Tree Haven Biological Station  
University of Wisconsin  
Wisconsin, U.S.A.

The scheduling of the symposium at the biological station will make it possible for all participants to be housed in spacious, reasonably priced rooms that are located in an idyllic woodland setting. It will also contribute to better interaction and dialogue since the distractions of "urban" life will be absent.

For further information, please contact:

Dr. Stanley W. Szczytko  
College of Natural Resources  
University of Wisconsin, Stevens Point  
Stevens Point, Wisconsin 54481
