Dr Boris Kondratieff
Dept. of Zoology
Colorado State University
Fort Collins, Col. 80523
USA

Dear Professor Kondratieff,

On behalf of the INTERNATIONAL SOCIETY OF PLECOPTEROLOGISTS and in the name of the STANDING COMMITTEE FOR THE INTERNATIONAL SYMPOSIA ON PLECOPTERA I would like to thank you very sincerely for continued efficient support of our scientific society.

Our society operates in a rather informal way, but has nevertheless several strong ties among its members, like the conferences and symposia, both regional and international. However, the most universal tie between the global membership certainly is the Newsletter Perla, which is produced since 1974.

For several years already, your generous donations have made the world-wide mailing of the Newsletter possible, also of the latest issue, No. 18, this year. You are rendering a very valuable service to our Society, which is very much appreciated and for which I, the STANDING COMMITTEE, and the Managing Editor of PERLA, Ken Stewart, express our profound gratitude.

I remember our latest encounter at the North American Plecoptera Conference in Provo, Utah, in May this year with great pleasure and look forward to meeting you again, hopefully at the next INTERNATIONAL SYMPOSIUM IN PERUGIA, ITALY, in August next year.

With my very best wishes and kindest regards,

Yours sincerely,

Prof. Dr. P. Zwick
